Entry Deadline: September 29, 2023

Address of Property

Year Built

CATEGORY

(Check applicable category)

ADDITION/NEW

Commercial

Can include an addition directly to a structure or new construction on a property, which is sympathetic to the historic nature of the original building or the historic character of the block.

Residential

REHABILITATION

Commercial

Modifying a structure, object or site to a functional condition through alteration or addition using materials compatible in scale, color, texture and character with the original.

Residential

RESTORATION

Commercial

Returning a structure, object or site to the original design and condition by repairing or replacing the original material, architectural detail or paint color scheme.

Residential

SUSTAINABILITY (JOINT AWARD)

Commercial

Recognizing that historic preservation and sustainable building practices go hand-in-hand in saving our past and future, the Historic Preservation Commission seeks projects that sensitively adapt, add to, rehabilitate, or restore an older structure while innovatively addressing sustainability issues of air, energy, waste and water.
