**COVID-19 Status Report
Oak Park Village Board of Trustees**

To: Village President and Village Board of Trustees

Fr: Cara Pavlicek, Village Manager

As means to share a brief summary of information regarding Village of Oak Park operational activities in response to COVID-19. In most cases, formal public guidance or employee guidance has been publicly disseminated via the Village website or Village social media channels.

New Public Health Guidance

Oak Park Director of Public Health Mike Charley issued the following today:

- Today, the Village of Oak Park Department of Public Health received notification of six (6)** additional COVID-19 cases. To date, the State of Illinois has reported a total of thirty-six (36) total Oak Park COVID-19 cases. Today's newly reported cases range in age from 30s to 70s.

***It is important to note that as patient tracking and case follow-up occurs, the number of Oak Park cases reported may change depending on residency confirmation.*

The Oak Park Department of Public Health is notified of positive tests as established by state and local public health protocol. Because of privacy laws, no additional information can be released about the individuals. It is noted, that privacy precludes location information regarding individuals tested to anyone other than Public Health Officials and First Responders.

The Oak Park Department of Public Health is working closely with officials from the Illinois Department of Public Health (IDPH), investigating and notifying anyone who may have had exposure to the individual who tested positive for COVID-19. Local public health officials, hospitals and first responders are following protocols consistent with the latest guidance from the Centers for Disease Control and Prevention (CDC).

Village Employee Tests Positive

Today, the Village received notification that a second Oak Park Police officer has tested positive for COVID-19. According to the Public Health Director, the employee chose to self-quarantine immediately upon exhibiting symptoms of COVID-19 and has remained out of the workplace since mid-March. Pursuant to Village personnel policies, employees who have had direct contact with the officer have been notified and because the contact was greater than 14 days

ago, they are not subject to quarantine. Because of privacy laws, no additional information can be released.

COVID Business Concern

As reported in the March 29 Status Report, the recreational sales portion of the business at MedMen Chicago, 1132 Lake Street was temporarily closed. The business has submitted a plan for compliance which was reviewed and approved and they may now conduct recreational sales in accordance with the compliance plan. The medical portion of their sales continued even during the closure of recreational sales.
