Special Use Approval Standards: Section 14.2 (E)

The recommendation of the Zoning Board of Appeals and decision of the Village Board must make findings to support each of the following conclusions:

1. The establishment, maintenance, and operation of the proposed special use will not endanger the public health, safety, or welfare.

**ANSWER: It will not. The business carries out minor cosmetic vehicle refabrications and all work is done indoors inside the shop which the general public does not have access to.**

3. The special use in the specific location is consistent with the spirit and intent of this Ordinance and adopted land use policies.

**ANSWER: Yes. The subject location is within the commercial district of Oak Park and is on the outer boundaries of the city There are numerous existing auto shops on Roosevelt road and will be consistent with the past and current spirit and intent of the land use policies.**

4. The special use conforms to the regulations of the zoning district in which it is to be located.

**ANSWER: Yes. Auto repair - minor businesses are permitted at this location via special use permit pursuant to the current Zoning regulations.**
