Village Manager's Budget Message

Date: December 12, 2017

To: Village President and Board of Trustees

From: Cara Pavlicek, Village Manager

Re: FY2018 Adopted Budget

Cc: Department Directors

Introduction

Enclosed is the adopted budget for Fiscal Year 2018 (FY18) as approved on December 11, 2017. The adopted budget includes a number of updates for a reduced property tax levy in the General Fund and increased revenues in Parking Enterprise Fund and therefore incorporates the necessary modifications since the document was presented on November 3, 2017 for the public hearings and October 5, 2017 for the Finance Committee's review and discussion. Specific updates include:

1. \$1.7 million decrease in General Fund expenditures based upon Village Board special meeting November 13, 2017 (see line item details in budget reduction memo dated December 11, 2017 as part of Village Board meeting agenda Budget Adoption).
2. \$123,000 increase in General Fund revenues as a result of fee changes based upon the Village Board special meeting held on November 13, 2017 (see line item details in budget reduction memo dated December 11, 2017 as part of Village Board meeting agenda Budget Adoption).
3. \$60,000 in new General Fund expenditures based upon Village Board special meeting November 13 and 27, 2017 (see line item details in budget reduction memo dated December 11, 2017 as part of Village Board meeting agenda Budget Adoption related to Development Customer Services Small Business Support and the software in the Village Clerk's Office).
4. Reduce the Motor Fuel Tax Transfer from the General Fund to the Capital Fund by \$1 million. Correspondingly reduce Capital budget expenditures by \$1 million by deferring \$300,000 in consulting services for specific traffic studies and a Village-wide pavement conditions study to a future year and by reallocating \$700,000 of ADA accessible street improvements to the CDBG Fund (rather than using MFT as the revenue source).
5. \$40,000 in additional Water/Sewer Fund expenditures pursuant to the IGA with D97 for water main relocation adjacent to Holmes School.

6. Elimination of vacant positions and various re-organizations to occur during the first half of FY18 pursuant to the Village Board special meeting held on November 13, 2017 (see organizational charts by department.)
7. Parking Services new revenue of \$329,000 for an anticipated increase to \$1 per hour for all hourly meters and reduction of contractual services for Valet parking of \$275,000.
8. Update to Special Revenue Funds based upon new information since the initial recommended budget was presented with no impact to property tax levy.
9. Elimination of various capital projects removed from year one of the Five Year CIP as adopted by the Village Board October 16, 2017.
10. Transfer of \$750,000 from the General Fund to the Self Insured Retention Fund from existing fund balance result in deficit spending in 2018 in the General Fund.

As noted previously, the budget was developed following a number of internal discussions including individual meetings with all Village Department Directors, the Village Clerk and the seven not-for-profit organizations¹ which have a service agreement contract with the Village for FY17 funding and have requested Village funds in FY18.

Appreciation is extended to Village staff for their dedication and expertise that was offered in the development of the recommended budget and I would like to specifically note the extensive time commitment of CFO Drazner and all Department Directors.

Consistent with past practice, on June 19, 2017, the Finance Committee of the Village Board reviewed the independent annual audit and CAFR for the year ending December 31, 2016 which was approved by the full Village Board reviewed on the same date.

This is the third year in which staff has formally presented a full five year Capital Improvement Plan (CIP) for review by the Finance Committee over three meetings – on September 11, September 12, and September 19. In addition, a review and discussion was held at a special meeting on September 25, 2017 and the document was adopted by the Village Board on October 16, 2017. The development of a detailed five year capital plan is an important tool for the Village to utilize in its financial planning. Staff has used the first year of the recommended plan as the basis for the capital

¹ Oak Park Area Convention and Visitors Bureau, Oak Park Area Arts Center, Oak Park Economic Development Corporation, Oak Park Housing Authority, Oak Park Residence Corporation, Oak Park Regional Housing Center and the Oak Park River Forest Chamber of Commerce

funding included in the FY18 Recommended budget for all Capital Funds as well as the capital portion of the Enterprise Funds for Parking as well as Water & Sewer.

The draft of the FY18 Recommended Budget was reviewed by the Finance Committee on the following dates:

Monday, October 9, 2017, 6:30 p.m. the Finance Committee will be asked to review:

- a. Review of General Fund Revenues
- b. Review of Internal Service Funds
 - i. Review of Debt Service Fund
 - ii. Review of Health Insurance Fund
 - iii. Review of Self Insured Retention Fund

Tuesday, October 10, 2017, 6:30 p.m. the Finance Committee will be asked to review:

- a. Review of Enterprise Funds
 - i. Water & Sewer
 - ii. Environmental Services
- b. Review of Special Revenue Funds

Monday, October 23, 2017, 6:30 p.m. the Finance Committee will be asked to review:

- a. Review of Police and Fire Pension Funds
- b. Review of Enterprise Funds
 - i. Parking

Monday, October 30, 2017, 6:30 p.m. the Finance Committee will be asked to review:

- a. Review of General Fund Expenditures
- b. Review of Partner Agencies

The Village Board of Trustees reviewed the FY18 Recommended Budget as follows:

- a. November 6, 2017, the Village Board held the Truth in Taxation Notice and Public Hearing on Budget and heard the 1st Reading of several ordinances related to user fees
- b. November 13, 2017, the Village Board held a special meeting to review the recommended budget.
- c. November 20, 2017, the Village Board held a Public Hearing on the recommended FY18 Budget and adopted several ordinances related to user fees and utility taxes.
- d. November 27, 2017, the Village Board held a special meeting to review the parking fees and policies that will impact budget recommendations and discussed the final General Fund outstanding items.

FY18 Administrative Considerations

Throughout the administrative preparation of the budget there have been conscientious deliberations about increasing demands for Village services and the cost to provide those services.

Additionally, the development of the FY18 budget has taken into account the following considerations into the proposed service levels:

1. Village Board Goals

The Village Board reviewed its goals on July 24, 2017 and their adoption is pending. The draft document establishes multiple objects and upon final adoption by the Board of its goals, staff may propose budget modifications in the event there are any gaps in alignment.

2. Financial Stability

Looking forward to 2018, the budget is prepared while trying to balance the service delivery expectations established in Village policy and the resulting fiscal demands created by such policies. The result is that the Village's long term financial stability continues to be a key driver in decisions that are made in the Budget and reflect:

- Modest growth in public safety position to responds to service demands; and
- Funding for the State established fire and police pensions; and
- Continued focus on investing in technology to improve the efficiency and effectiveness of service delivery with customer service as a focus; and
- Continued capital investment in critical public infrastructure to ensure systems operate safely and effectively which include our fleet for police, fire and snow removal, the water distribution system and the public street & sidewalk system.

When focused on the Village's General Fund, which captures operating expenditures, the chart below tracks General Fund revenues and expenditures from 2001 – 2016.

3. Public Infrastructure and Capital Planning

The Village will celebrate the 116th Anniversary of its incorporation in 2018. Staff has developed a comprehensive five year Capital Improvement Plan (CIP) and the first year of this plan is the foundation for capital projects in FY18 and allows the Village to identify and evaluate the state of the Village’s infrastructure and plan for the associated costs. The Village Board approval of the CIP is pending.

For the fourth year, the Budget continues to provide for an increase in resources for alley and street improvements. Based upon earlier discussions with the Finance Committee - staff has continued the aggressive five year schedule to invest an additional \$20 million in alley and street infrastructure to be funded with a general obligation bond issue. Under prior Village Board action, fees to pay for this new debt are generated via a portion of the Vehicle Sticker annual fee and a capital fee applied to refuse collection. Each fee is linked to the respective capital investments (e.g. vehicle stickers to streets and garbage collection to alleys). The annual debt service projected for this program over 20 years at a 3% interest rate is \$1.3 million. Specifically, the budget contains offsetting revenue for annual debt service via a portion of the Vehicle Sticker fee (which started in FY16) and a capital customer charge for garage collection services of \$2.50 per month (started in FY14). It is also noted that the FY18 budget continues with the implementation of recommendations from the 2014 Water and Sewer Rate study which identified steps towards addressing the condition of the Village’s water and sewer system, as a result of community age.

4. Technology

IT Staff in conjunction with the Village Manager and Department Directors have remained focused on the implementation of the priorities established in the IT Strategic Plan. The Plan, which was presented initially to the Village Board on February 24, 2014 proposed a multi-year prioritization of core infrastructure needed to maintain and enhance Village government operations. The Plan was then presented to the citizen advisory board, Civic Information Systems Commissions (CISC), April 17, 2014. The CISC endorsed the use of the priority list established in the strategic plan. On August 4, 2014, the Village Board accepted the IT Strategic Plan and directed staff to proceed with the necessary actions for the Village to become a member of the area GIS Consortium which was a key priority action identified in the IT Strategic Plan. That action supported the implementation of new technologies for Village services also prioritized in the Plan. The IT Strategic Plan has been re-visited annually.

Since 2014 significant progress has been made towards the key technology priorities established in the Plan, including:

- Oak Park adopted an Intergovernmental Agreement with the Consortium (GISC) - a public entity consisting of local governments that work collectively to achieve the benefits of GIS and related technologies.
- Using the GIS platform, CityView (aka VillageView) - a new software solution for permitting, inspections and licensing, was implemented.
- A new Computer Aided Dispatch (CAD) system through the Village's partnership within the West Suburban Consolidated Dispatch Center (WSCDC) was implemented via an upgraded software system. The upgrade to the 911 CAD system is of significant importance to emergency services.
- A replacement ERP system for PeopleSoft, was procured. BS&A implementation has been done in 2017 for the Village's core financials and accounts payable. Payroll implementation is underway and will go live in 2018.
- An intergovernmental agreement with Elementary School District D97 has been approved and evaluation of the Village's wholly owned municipal fiber network is underway. The

current network is nearing the end of its useful life and supports the Village traffic signal system, police and fire communications, parking revenue collections in the three public parking garages and various parking lots in the business districts. The fiber network is also the backbone of all other Village internal data communication for operating departments' supporting core systems such as telecommunications, GIS, VillageView, 911 CAD, Video & Keycard, ERP and Records Information Management systems.

5. Public Private Partnerships

The Village has a number of public services that are provided in the Village via contractors. While many are provided via a competitive bidding process (such as snow removal, building permit review/inspections or public infrastructure improvements) the Village has a class of contracts with various entities, commonly not-for-profit groups that are collectively referred to as "Partner Agencies" and others that are provided via Intergovernmental Cooperation Agreements supported via a contract for services.

The FY18 Budget includes within the General Fund a total of \$1,668,500 for the Village to enter into contracts with not-for-profit entities hereby defined as Partner Agencies including the Regional Housing Center, Oak Park Residence Corporation, Oak Park Area Convention and Visitors Bureau, Oak Park Economic Development Corporation and Oak Park Area Arts Council. The recommended budget was not able to meet requests for new services as requested by Partner Agencies in the case of the Regional Housing Center. As a part of the Finance Committee review staff will seek direction as to the alignment of the Partner Agencies with the overall Village Goals.

The FY18 Budget also includes, within the General Fund, funding for the Village to honor existing intergovernmental agreements for youth services including the Youth Interventionist Program (\$69,579) via the Oak Park Township and Early Childhood Services (\$345,216) via School District 97 and 200. New funding of \$10,000 is proposed for the first year of a recommended three-year grant to the Friends of the Children for expansion into Austin to provide youth mentoring services, subject to formal approval of a grant agreement by the Village Board.

6. Operational Needs

During the current fiscal year, Department Directors have identified and requested funding for important operational/service needs for which funding is recommended. Service level demands continue to trend higher Oak Park, especially in terms of emergency response:

Calls For Service					8/31
	<u>2013</u>	<u>2014</u>	<u>2015</u>	<u>2016</u>	YTD <u>2017</u>
Police	33,155	32,651	34,529	65,830	43,130
Fire	6,016	6,419	6,731	6,716	4,408
Combined	<u>39,171</u>	<u>39,070</u>	<u>41,260</u>	<u>72,546</u>	<u>47,538</u>

It is noted however, that in 2016, the new 911 dispatch system began capturing police calls for service to include calls, traffic stops, premise checks, alarm checks. As part of the General Fund recommended budget one additional police officer is being added to the Downtown Walking Beat. During recent years, the Village has seen a growth in liquor licensed establishments with the addition of facilities such as Cooper’s Hawk, Wild Onion, Two Brothers, Hamburger Mary’s and the Beer Shop which have increased the number of evening activities in the Greater Downtown Business Districts. While these business districts continue to be very safe, the assignment of an evening walking beat officer to match the growing restaurant business is recommended to ensure continued safety of visitors to these establishments.

Three new fire/fighter paramedics (one per shift) are also reflected in the General Fund budget with a July 1, 2018 hire date along with an “off-setting” revenue from ambulance fees to fund the new positions. The increased staff is recommended based upon a review of increases in Emergency Medical calls for service/incidents over the past seven years. The review considered that a demographic review of EMS services shows that 50% of EMS calls are for the age group 60 and over. It is also noted that Oak Park has eight senior resident facilities which also have seen a growth in calls for emergency medical services. The Fire Department currently operates two ambulances and a review of the workload indicates that there would be advantages to EMS services with the addition on another employee on each of the three shifts which operate in the Fire Department and which would allow for the start of a transition to placing a third ambulance in service.

The Village Manager's Office continues to make labor relations a key priority in partnership with the Human Resources Department. The Village has nine collective bargaining agreements which are all current. It is noted that the five CBA which expire at the end of 2017 are all either actively being renegotiated or those negotiations have concluded.

1. FOP Police Officers: CBA expires 12/31/17
2. IAFF Firefighters/fire lieutenants: CBA expires 12/31/17
3. IBEW Local #9: CBA expires 12/31/17
4. SEIU Local 73 – *main unit*: CBA expires 12/31/17
5. IAM Local 701 CBA expires 12/31/18
6. Teamsters Local 705: CBA expires 3/31/18
7. FOP Police Sergeants: CBA expires 12/31/19
8. SEIU Local 73 – *water/sewer unit*: CBA expires 6/30/20
9. FOP Community Service Officers CBA expires 12/31/20

The recommended Budget provides funding for all covered employees' wages and benefits as established in the applicable agreements. In regard to non-union exempt/non-exempt employees, the Budget includes funding for a 2.5% merit based wage increase tied to performance evaluations. This is equitable to the wage increases negotiated in recent CBAs for 2017.

The FY18 budget contains a net increase of 1.50 FTE positions (elimination of vacant positions have offset the addition of a police officer and three FF/PM noted above).

It is important to consider that personnel expenses (wages and benefits) account for approximately 75% of the General Fund budget and consistent with past practice, the FY17 Budget for General Fund expenditures reflect 98 percent of full staffing which is in line with the historical staffing levels. This practice was first implemented in FY13. A review of the prior fiscal years indicates that actual expenditures for salary and benefits are never 100% of the adopted budget amount:

<u>Fiscal Year</u>	<u>Actual Expenditures for Salary & Benefits as a % of Budgeted Expenditures</u>
2009	94.59%
2010	95.94%
2011	98.43%
2012	98.33%
2013	93.26%
2014	93.83%
2015	98.88%
2016	98.96%

This strategy allows for the adoption of a General Fund budget which more accurately establishes spending and does not require revenue increases and/or expenditure cuts that are not necessary in conjunction with the Village's need to increase the General Fund balance. In regard to salary and benefit costs, it should also be noted that the use of a salvage calculation in budgeting is intended to account for unexpected position turnover during the fiscal year and corresponding position vacancies as well as the possibility that every employee may not be awarded a merit based pay increase due to performance – although such increases are budgeted when required by a CBA or noted herein for non-union personnel. Salvage does not replace partial funding for new positions in anticipation of hiring dates nor does salvage account for Collective Bargaining Agreement wage increases that may occur after the adoption of the budget in the event contract negotiations are not concluded prior to fiscal year end.

Overall Financial Summary

The Village fiscal year begins January 1, 2018 and ends December 31, 2018 and is comprised of 31 funds and \$146 million in expenditures (reduced from the \$149 million in FY17) which is supported by a number of sources included property taxes generated from an expected Equalized Assessed Valuation (EAV) of \$1.6 billion as well as sales taxes, user fees and intergovernmental revenues.

The recommended municipal budget is proposed to establish a foundation for the Village's financial planning and control. Staff is focused on continuing the positive momentum towards financial stability and improving the quality of public services provided to residents and businesses. The Village currently has an underlying bond rating of AA from Standard & Poor's and A1 from Moody's.

The FY18 recommended budget was developed with the following impact to property taxes levied by the Village of Oak Park, before the application by Cook County of the loss allowance to the property tax levy:

1. A reduced property tax rate for debt service (and a levy reduction of \$576,301)
2. A flat property tax rate for police and fire pensions (and a levy increase of \$606,404)
3. A projected reduction in the property tax rate for the corporate levy (and a levy increase of \$2.9 million)

The overall Village tax rate is not proposed to increase over the current year. However, as a result of the triannual re-assessment, the Village will receive increased property tax revenues of \$2.9 million.

The adopted General Fund budget provides for increased appropriations utilizing the additional property tax revenues in the General Fund as follows:

1. Transfer from the General Fund to the Capital Fund a portion of State Motor Fuel Taxes (\$336,000) for street projects.
2. Transfer from the General Fund to the Self Insured Retention (SIRF) Fund \$750,000 to support worker's compensation expenditures. In prior fiscal years, the Parking and the Water/Sewer Enterprise Funds have disproportionately supported the SIR Fund. The FY18 Recommended Budget reflects improved allocation of SIF Fund expenses related to employees by Fund.
3. General Fund employee wages increased nearly \$490,000 while fringe benefits increased approximately \$195,000 through a combination of collective bargaining agreement requirements, increased village contributions into the public safety pensions, and non-union merit pay changes.
4. General Fund contractual service costs increased \$700,000 related to:
 - a. Cost increased for West Suburban Consolidated Dispatch Center: \$413,000
 - b. Costs increased for Police Department contracts with Andy Frain (crossing guard wages) and Thrive Counseling: \$22,000
 - c. Costs increased in Development Customer Services for building permit review outsourcing: \$315,000
 - d. Costs increased in Development Customer Services for CityView software: \$53,000
 - e. Costs increased in Development Customer Services for sales tax rebates to Clark St. and Gugly: \$100,000

The increases outlined above were partially offset by several smaller contractual service reductions throughout the budget.

It is noted that regarding the General Fund, the **Fund Balance Policy** states that an unreserved fund balance goal of no less than 10% or more than 20% of the current year's estimated operational expenses shall be maintained. Of this balance, cash and investments should compose no less than 60%, or 6% of annual operating expenditures.

The General Fund Unrestricted Balance was \$7.5 Million on January 1, 2017. This is slightly more than an 11% fund balance.

While the total municipal budget relies upon a number of sources of revenue, the property tax levy continues to be a focus of judging the fiscal health of the community. Property tax funded Village expenditures were as follows in FY17:

<u>Levy Type</u>	<u>Levy</u>	<u>Loss Factor</u>	<u>Adjusted Levy</u>	<u>% of Total</u>
Debt	4,510,100	5.0%	4,735,605	15%
Police Pension	4,940,474	3.0%	5,088,688	16%
Firefighters' Pension	5,601,488	3.0%	5,769,533	18%
General Operating	15,232,408	3.0%	15,689,380	50%
TOTAL	30,284,470		31,283,206	100%

The following chart highlights the proposed changes from FY17 to FY18 for all property taxes levied to support the Village.

	Fiscal Year 2017			Fiscal Year 2018		
	Tax Year 2016			Tax Year 2017		
	Actual Assessed Valuation	Loss Allowance %	Estimated Assessed Valuation	Estimated Assessed Valuation	Loss Allowance %	Estimated Assessed Valuation
	1,386,653,517		1,386,653,517	1,663,984,220		1,663,984,220
	Tax Year 2016 <u>Extended Levy</u>		Tax Year 2017 <u>Extended Levy</u>	Tax Year 2017 <u>Village Levy</u>		Tax Year 2017 <u>Extended Levy</u>
Corporate Levy	15,232,408	3%	15,689,380	17,318,000	3%	17,837,540
Police Pension Levy	4,940,474	3%	5,088,688	5,470,687	3%	5,634,808
Firefighters Pension Levy	5,601,488	3%	5,769,533	5,277,679	3%	5,436,009
Subtotal	25,774,370		26,547,601	28,066,366		28,908,357
Gross Debt Service Levy	8,541,026	5%	8,968,077	9,233,720	5%	9,695,406
Debt Service to be Abated	(4,030,928)	5%	(4,232,474)	(5,299,921)	5%	(5,564,917)
Subtotal Net Debt Service Levy after Abatement	4,510,098		4,735,603	3,933,799		4,130,489
Total Property Tax Levy Request	30,284,468		31,283,204	32,000,165		33,038,846

Sales tax revenues are also an important revenue stream for the Village and are established as follows:

Sales Tax in Oak Park	
State portion	5.00%
Village portion	1.00%
County portion	<u>0.25%</u>
Total Sales Tax by State Regulation- General Merchandise	<u>6.25%</u>
Village Home Rule Retailers' Occupation Tax	1.00%
Cook County Home Rule Retailers' Occupation Tax	1.75%
RTA Sales Tax	<u>1.00%</u>
Total Sales Tax Home Rule- General Merchandise	<u>3.75%</u>
Total Combined Sales Tax- General Merchandise**	<u>10.00%</u>

***Registered property (i.e. vehicles) and eligible food & drugs are taxed at a lower rate*

A review of twelve months of visitor data for 2016/2017 by Buxton showed that 64% of sales taxes are linked to non-resident spending in Oak Park. Restaurant spending is the largest classification in Oak Park and has grown to 63% of spending up from 44% in a similar 2015 review.

Closing

In closing, I would like to reiterate the important role played by all employees in the Village Manager's Office, the Finance Department, and each Department Director along with their respective staff for their dedication to Oak Park and their focus on identifying effective and efficient ways to deliver public services on a daily basis.

Sincerely,

Cara Pavlicek
Village Manager

Introduction

The Budget Adoption Process

The process for adoption and amendment of the Village of Oak Park budget, along with a calendar of the major dates and activities related to the development of the 2017 Recommended Village of Oak Park Budget is outlined in this section. Chapter 2 of the Village of Oak Park's Municipal Code establishes the foundation for the Municipal Budget. Excerpts from Chapter 2 follow:

- The Village's fiscal year is January 1 - December 31.
- The Board of Trustees must adopt the annual budget prior to the start of the Fiscal Year and passage of the annual budget shall be in lieu of passage of the appropriation ordinance.
- On or before the Village Board of Trustees' first regular meeting in November of each year, the Village Manager shall submit to the Board of Trustees an annual Municipal budget which contains estimates of revenues together with recommended expenditures in conformity with good fiscal management practice.
- The recommended budget presented by the Village Manager shall show the specific fund from which anticipated expenditures are charged.
- The annual budget may contain funds set aside for contingency purposes not to exceed ten percent (10%) of the total budget, commonly referred to as the Working Cash Fund.
- At least one public hearing shall be held by the Board of Trustees on the tentative annual budget prior to final action by the Board of Trustees. Copies of the tentative annual budget shall be made available for public inspection for at least ten (10) days prior to the hearing. After said hearing, the tentative budget may be further revised and passed without further notice, inspection or hearing.

The Budget Amendment Process

Annually, following adoption of the Budget, it may be necessary for the Village Board to consider amendments to the Adopted Budget in response to unforeseen issues as follow:

- **§2-6-5 (F)Revision of Annual Budget:** The Municipal Budget Officer, subject to approval by the Village Manager, may delete, add to, or change items within object classes, provided the budget for the object class is not increased.
- The Municipal Budget Officer, subject to approval by the Village Manager, may delete, add to, or change items, up to an amount of three thousand dollars (\$3,000.00) between object classes, provided the total fund budget is not increased and the annual aggregate of such transfers does not exceed one percent (1%) of the total fund budget.
- The corporate authorities, by a vote of two-thirds ($\frac{2}{3}$) of the members then holding office, shall have the authority to revise the budget by transferring monies from one fund to another or adding to any fund. No revision of the annual budget shall be made increasing the budget

in the event monies are not available to do so. (Ord. 1989-0-52, 7-5-89).

- Budget amendments will be compiled and submitted to the Board of Trustees for consideration in the month subsequent to each quarter end with the exception of the fourth quarter. Therefore, it is anticipated that a budget amendment will be included in Board agenda in the following months:
 - April (for quarter ended 3/31)
 - July (for quarter ended 6/30)
 - October (for quarter ended 9/30)
 - December (to adjust budget based on final year end projections)
- Should a requested budget amendment increase an account without an offsetting decrease in a different account, adequate revenue and/or reserves are required for an amended appropriated amount.

Financial Policies

The following is a summary of the Village of Oak Park's financial policies related to the following areas:

- Accounting and Budgeting Methods
- Balanced Budget
- Fund Balance
- Debt Limits
- Purchasing Practices
- Investment Practices

Accounting and Budgeting Methods – The accounting and budgeting records for general governmental operations are maintained on the modified accrual basis of accounting. Under this method, revenues are recorded when available and measurable and expenditures are recorded when materials or services are received and the liability is incurred. Accounting and budgeting records for the Village's enterprise funds, internal services funds and pension trust funds are maintained on the accrual basis of accounting.

Balanced Budget – A balanced budget is defined as a Fund in which annual budgeted revenues either meet or exceed annual budgeted expenditures or expenses, without the necessity of utilizing reserves or fund balance as a revenue source.

Fund Balance Policy – Appropriate fund balance levels are necessary to respond to unexpected emergencies and annual cash flow requirements. For the General Fund, the objective is to have an on-hand unreserved fund balance between 10% and 20% of the current year's estimated operating expenditures. Since unreserved fund balance is often comprised of non-cash amounts, it is furthermore the goal that cash and investment comprise no less than 60% of the targeted unreserved fund balance under this policy. Thus, it is the policy that total General Fund cash and investment balances be in the range of 6% and 12% of annual operating expenditures. For example, if the General Fund has annual budgeted expenditures of \$50 million, the goal would be for the General Fund to have a net (after offsetting inter-fund receivables/payables) \$3 million to \$6 million in cash/investments.

Debt Limit Policy – Under the 1970 Illinois Constitution, there is no legal limit for home rule municipalities, of which Oak Park is, except as set by the General Assembly. Reasonable rules of financial management, however, do offer some guidance which is subject to Village Board policy. The Village does not currently have any formula driven debt limit, but looks to the market to determine its credit worthiness which, in part, takes various measures of debt into account.

Purchasing Policy (subject to change pursuant to adoption of new policy) – When the total cost of any contract made for supplies, equipment, repair work or personal services exceeds \$25,000, or the total cost of making any public improvement exceeds \$10,000, the expenditure must be authorized by the Board of Trustees.

Additional policies on the bidding process – When the total cost of a public work or improvement is expected to exceed \$10,000, or when the total cost of any supplies, equipment or repair work is expected to exceed \$25,000, a call for bids is to be formally advertised. Bidding in all instances may

be waived by a two-thirds vote of the Board of Trustees. In cases of urgently needed material or urgent repairs involving labor and material, repairs and material may be obtained through negotiated contract without formal advertising with the approval of the Village Manager, when it is in the best interest of the Village and when it is not practical to convene a meeting of the Board of Trustees. Negotiated purchases without formal advertising may be approved by the Board of Trustees when it is impractical to secure competition, impossible to draft adequate specifications or any other adequately detailed description of the required property or services, or when the contemplated contract involves maintenance, repair, alteration or inspection and the exact nature or amount of work to be done is not known. However, staff shall first obtain in writing, whenever possible, at least three informal bids for the work whenever possible.

Investment Policy

Pooling of Funds – Except in certain restricted and special funds, the Village of Oak Park will consolidate cash balances from all funds to maximize investment earnings. Investment income will be allocated to the various funds based on their respective participation and in accordance with generally accepted accounting principles.

Safety of Principal – Investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. The objective will be to mitigate credit risk and interest rate risk.

Liquidity – The investment portfolio shall remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated. This is accomplished by structuring the portfolio so that securities mature concurrent with cash needs (static liquidity). Furthermore, since all possible cash demands cannot be anticipated, the portfolio should consist of securities with active secondary or resale markets (dynamic liquidity). A portion of the portfolio may be placed in money market mutual funds or local government investment pools that offer the same-day liquidity as for short-term funds.

Rate of Return – The investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into Investment risk constraints and liquidity needs. Return on investment is of least importance compared to the safety and liquidity objectives. The core of investments is limited to relatively low-risk securities in anticipation of earning a fair return relative to the risk being assumed. Securities shall not be sold prior to maturity with the following exceptions:

- Declining credit security could be sold early to minimize loss of principal
- Security swap would improve the quality, yield or target duration in the portfolio
- Liquidity needs of the portfolio require that the security be sold.

Consistent with Illinois Compiled Statutes 23 5/2, the following investments will be permitted by this policy:

- U.S. Government obligations, U.S. Government agency obligations and U.S. Government instrumentality obligations, which have a liquid market and a readily determinable market value

- Investment-grade obligations of state, provincial and local governments and public authorities
- Certificates of deposits and other evidences of deposit at financial institutions, bankers' acceptances and commercial paper, rated in the highest tier by a nationally recognized rating agency
- Money market mutual funds regulated by the SEC and whose portfolios consist only of domestic securities
- Local government investment pools, either state-administered or through joint powers, statutes or other intergovernmental agreement legislation.

In accordance with Illinois Compiled Statutes, collateralization of Public Deposits will be required on non-negotiable certificates of deposits.

- The Village of Oak Park will limit maximum final stated maturities to five (5) years unless specific authority is given to exceed or the investment is matched to a specific cash flow. To the extent possible, the Village will attempt to match its investments with anticipated cash flow requirements.
- Reserve funds and other funds with longer-term investment horizons may be invested in securities exceeding five (5) years if the maturity of such investments is made to coincide with the expected use of funds.

GENERAL FUND

Overview

The General Fund of the Village includes all the operating departments and general operating revenues which are not classified elsewhere. The following operating departments are budgeted in this Fund:

- Administrative Adjudication
- Administrative Services- Village Manager's Office
- Administrative Services- Communications
- Administrative Services- Human Resources
- Administrative Services- Law
- Community Relations
- Development Customer Services
- Finance
- Fire
- Public Health
- Information Technology
- Police
- Public Works
- Village Clerk's Office
- Village President & Board of Trustees

There are several revenue sources devoted to the General Fund in the following broad categories:

- Taxes
- Licenses & Permits
- Charges for Services
- Grants
- Fines
- Interfund Transfers-In
- Financing & Investment
- Other/Miscellaneous

General Fund Revenues

General Fund Revenues are the taxes, fees, and charges that the Village assesses to provide services to its citizens. General Fund revenues are managed within the Village's General Fund, and are comprised of the following revenue categories:

- Tax revenues (e.g.- property taxes)
- Licenses, permits, and fees (e.g.- business licenses)
- Charges for services (e.g.- police reports)
- Grants
- Fines (e.g.- parking tickets)
- Other financing sources (transfer of resources from other funds)

The following table presents a summary of the Village's major General Fund taxes and revenues:

<u>General Fund Revenues</u>	<u>Description</u>
Property Taxes	Property tax revenues are the proceeds that the Village receives from assessing taxes on residential and commercial properties within the Village. Each year, the Village Board adopts a fixed levy that is used to fund operations, debt service, and Village contributions into the Police and Fire Pension funds. In order to collect the necessary amount, the County extends the levy by a set percentage beyond the Village's request to account for any potential loss in collections. This additional "loss" percentage varies from 3.0% -5.0%
Liquor Taxes	Liquor Tax Revenues are the revenues that the Village charges to vendors that sell liquor within the Village. The current Liquor Tax rate is 3% of the liquor purchase price. This is a locally administered tax.
Natural Gas Use Tax	The Natural Gas Use Tax is a tax that the Village charges to customers who purchase natural gas from outside the State of Illinois and assessed at 2.2 cents per therm. This tax is collected and remitted by NICOR.
Sales Taxes	<p>In the State of Illinois, there is a base 6.25 % Sales Tax on general merchandise. It is administered and collected by the Illinois Department of Revenue. One percent (1%) of this Sales Tax is distributed to the municipality where the sale occurred. This tax, officially referred to as the Retailer's Occupation Tax (ROT) is captured in the Village's General Fund and is used to support general Village operations.</p> <p>The Village also imposes a 1% Home Rule Occupation Tax (HROT). While approved locally, this tax is also administered and collected at the state level. This tax is dedicated to the Capital Improvement Project (CIP) Fund. Pursuant to State law, the HROT tax is not assessed on qualifying food, drugs, or registered property purchases (vehicles).</p>

Real Estate Transfer Tax	The Real Estate Transfer Tax (RETT) is a tax on the seller of property within the Village. The tax is assessed at \$8 for every \$1,000 of the sale or “transfer” price. For example, when a \$500,000 house is sold, the seller would pay a RETT of \$4,000 ($\$500,000/\$1,000 = 500 \times \$8 = \$4,000$).
Utility Taxes	The Electricity Tax and the Natural Gas Tax. Both taxes are assessed based upon user consumption within the Village. The Electricity Tax is based on the number of kilowatt hours (kwh) consumed. The actual rate varies from a low of \$0.00202/kwh to a high of \$0.0033/kwh, based on usage. The Natural Gas Tax is assessed on natural gas purchased within State lines at a rate of 5.0%.
Licenses and Permits	The Village charges fees to individuals, businesses and other entities to acquire authorization and permission to conduct certain activities within the Village. These authorizations and permissions are extended in the form of licenses and permits. For example, the Village charges business licensing fees for entities that wish to conduct business within the Village. Individuals that wish to park in public spaces within the Village must acquire a parking permit.
Intergovernmental Revenues	Intergovernmental revenues are revenues that the Village receives from other government entities. Apart from other grants, the revenues that the Village receives from this revenue stream are primarily from the State of Illinois. Intergovernmental revenues typically take the form of grants, entitlements, shared revenues, or payments in lieu of taxes.
Charges for Services	The Village provides a number of services for which it charges fees directly to the service recipient. Such services include: drafting of police reports, ambulance services, animal adoption services, and environmental health services.
Fines	The Village charges fines and penalties to individuals and businesses when they become non-compliant with Village rules and regulations. Parking citations is an example of such a fine for which the Village charges a fee directly to the offender.

General Fund Expenditures

General Fund Expenditures are the expenditures related to the performance of direct Village services, such as police, fire, public works and housing services. General fund expenditures also relate to the performance of administrative services such as finance, human resources, and information technology. General Fund Expenditures are managed within the Village's General Fund, and are comprised of the following expenditure types:

- Personal Services (e.g.- salaries and overtime)
- Fringe Benefits (e.g.- health insurance and pension contributions)
- Materials and Supplies (e.g.- printing and office supplies)
- Contractual Services (e.g.- vendor service contracts, Telecommunications)
- Capital Outlay (e.g.- infrastructure, Fleet Management)
- Granting Activities (e.g.- funding of community services via funds allocated from another agency)
- Transfers (e.g.- transfer of resources from other Village funds)

The following table presents a summary of the Village's major General Fund Expenditures:

<u>General Fund Expenditure Types</u>	<u>Description</u>
Personal Services	Personal Services expenditures are the expenditures for the compensation of Village staff to perform Village services and activities. Given the labor-intensive nature of Village services, personnel and benefits expenditures typically make up the largest proportion of general fund expenditures.
Fringe Benefits	Fringe Benefits expenditures are the expenditures for the insurance and pension support for which the Village provides its employees. Similarly to Personal Services, Fringe Benefits typically make up a large portion of general fund expenditures.
Materials and Supplies	Materials and Supplies expenditures are expenditures related to maintaining administrative operations within Village departments. These expenditures include costs such as printing costs, general maintenance and upkeep, telephones services and software support.
Contractual Services	Contractual Services are for infrequent or unique services that are provided to the Village by independent contractors or by consultants. These expenditures are tracked separately from the Village's salary and benefit resources.

Capital Outlay

Capital Outlay expenditures are for the maintenance of Village physical and technical infrastructure.

Grants

In some cases, the Village serves as a grantor of funds to local community service providers, who provide services to the community on behalf of the Village. Grants expenditures are associated with these types of activities.

Transfers

Transfer expenditures are the expenditures that are transferred from the General Fund to support service activities or other types of reimbursements.

ADJUDICATION

EXECUTIVE OVERVIEW

DEPARTMENTAL SUMMARY

Administrative Adjudication conducts administrative hearings for the Village of Oak Park, Illinois. The hearings are divided into two primary categories: Parking and Local Ordinance Violations. The citations that are adjudicated are issued by various departments/divisions in the Village including Police, Fire, Health, Public Works and Development Customer Services. The department maintains the records of the hearings and transmits notices to individuals that have pending matters.

2017 ACCOMPLISHMENTS

Adjudication has continued to make significant steps to improve customer service and is utilizing an online customer service survey to help identify high, mid, and low performance areas and implement appropriate improvements.

Adjudication works with Oak Park Township Youth Services to provide community service and other opportunity to juvenile respondents and has improved the manner that the Oak Park Township Youth Services reports pending and completed service to Adjudication.

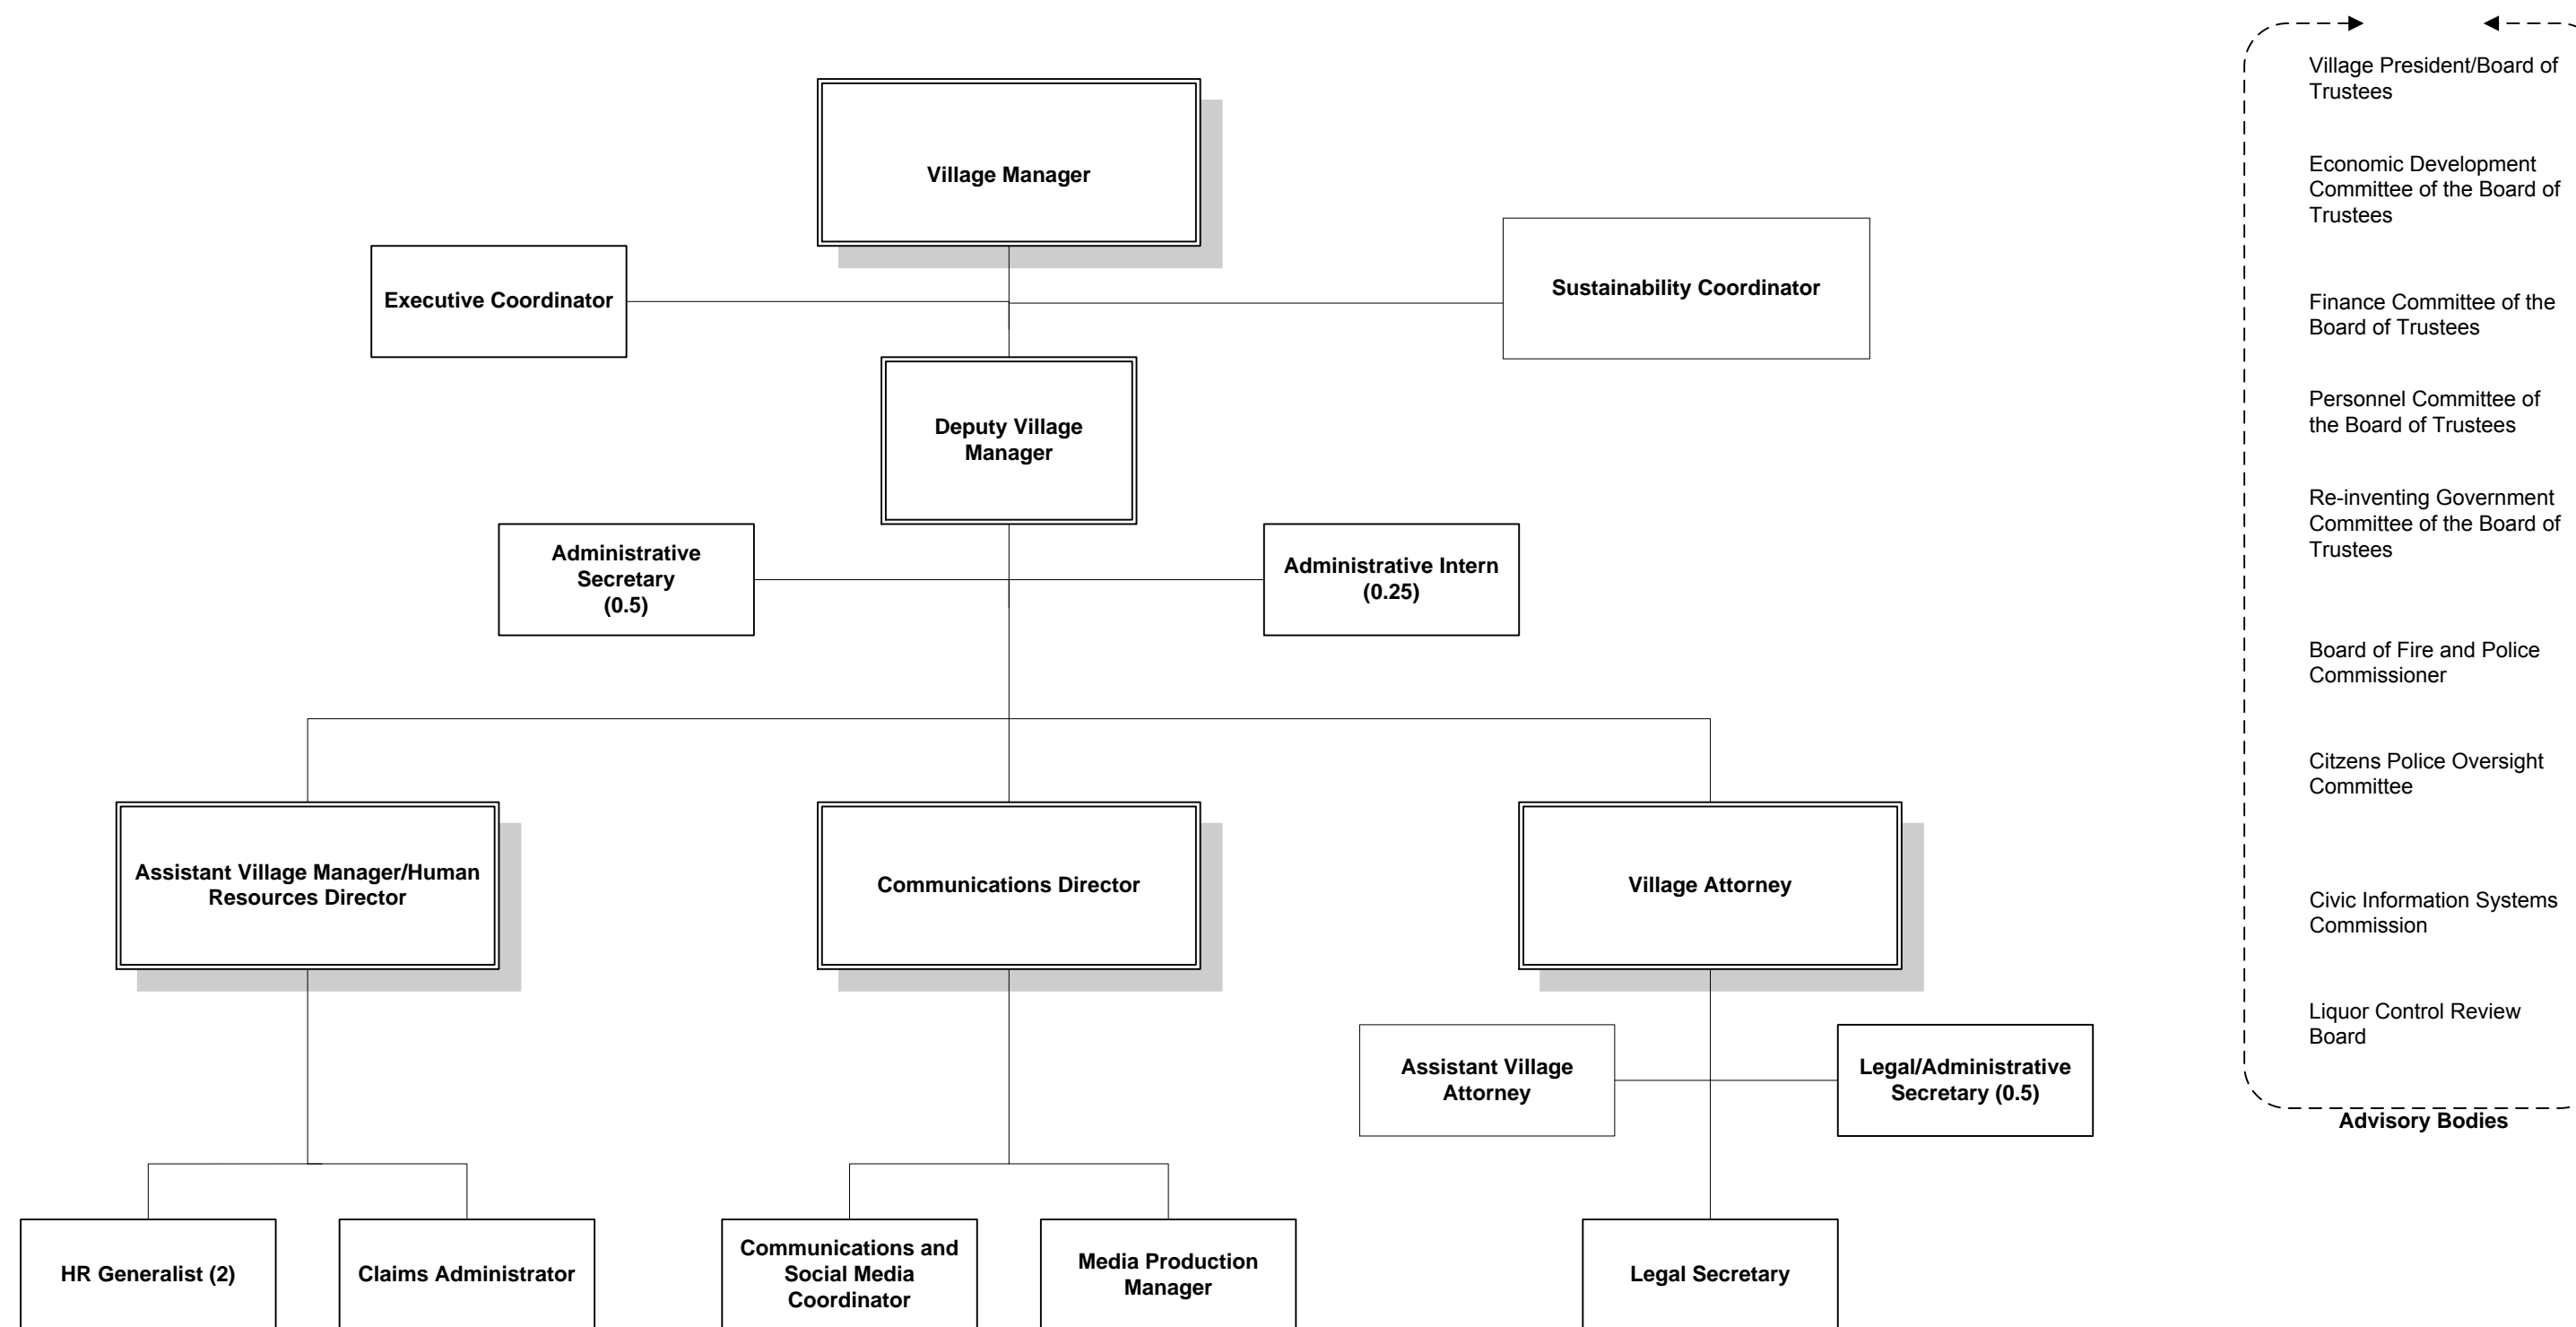

2018 WORK PLAN

Adjudication will continue efforts to improve customer service without jeopardizing the legitimacy of the adjudication process. In part, further automation will play a key role in making the process smoother and eliminating the amount of paper that is generated.

Adjudication will continue efforts to improve services provided to juveniles that appear for hearings. Due to several limitations, providing non-financial and non-punitive remedies remains a challenge. Adjudication will continue to work with providers such as the Oak Park Township Youth Services, Rosecrans, Youth Outreach Services and Opportunity Knocks to provide appropriate solutions for youth respondents.

EXECUTIVE OVERVIEW

DEPARTMENTAL SUMMARY

The Village Manager's Office is responsible for overseeing day-to-day operations of the Village. This is accomplished by the Village Manager, Deputy Village Manager, Assistant Village Manager/Human Resources Director, Secretary to the Village Manager and a part time Administrative Secretary. The group of employees is responsible for providing staff support to the Mayor and Board of Trustees along with the five Committees of the Village Board (Personnel, Finance, Contractual, Intergovernmental and Reinventing Government).

The Village Manager position is established pursuant to 65 Illinois Compiled Statutes 5/5-3-7 and the Village Manager shall be appointed by the Board of Trustees. The General Duties of the Village Manager are stated in §2-4-2 of the Municipal Code and note that the Village Manager shall be the chief administrative officer of the Village and exercise all powers and duties assigned to him or her by Statute and such other authority as may be granted by the Board of Trustees. The Manager shall be charged with hiring all employees, other than those under tenure of office laws (e.g. sworn police officers and sergeants, firefighters and lieutenants) and with the enforcement of all laws and ordinances within the municipality insofar as their enforcement is within the powers of the Village. The Manager shall attend all meetings of the Board of Trustees, shall keep the Board informed as to the affairs of the Village, and shall recommend to the Board such actions as may be necessary or expedient for the welfare of the Village.

Under the policy direction and leadership of the Mayor and Board of Trustees, the Village Manager's Office mission is to create excellence in local services via professional local government management, consistent with the following Guiding Principles and Values that inform or influence staff activities at all levels of the organization:

Communication: Sharing our knowledge, perspectives and information openly, regularly and clearly with citizens and each other

Customer Service: Understanding and providing for the needs of our customers in a prompt, courteous and caring manner

Diversity: Valuing, promoting and nurturing human diversity in staff, consultants and contractors

Fiscal Stewardship: Assuring the most cost-effective and efficient use of the public's money; earning and maintaining public trust

Integrity: Committed to the highest ideals of honor and integrity in all public and professional relationships

Learning Organization: Challenging ourselves to learn, grow and expand our professional and technical knowledge

Professional Management: Dedicated to consistent, accountable, equitable and effective management techniques and systems

Recognition: Appreciating the contributions of our most important resource: Village employees and those citizens who volunteer their time and expertise in service to the community

Team Work: Working collaboratively through personal initiative, professional accountability, mutual respect and trust

2017 ACCOMPLISHMENTS

- Success of the Village Manager's Office is largely a function of the extent to which individual operating departments execute their roles and responsibilities in a manner that reflects the Guiding Principles and Values, and advances the Village Board's Objectives and Goals. Our operating departments have placed considerable focus this year on a number of priorities including but not limited to: economic development, technology, public safety, infrastructure, planning for the future investment in the Eisenhower I-290, and customer service improvements both internally and externally.
- To support and continue to grow a high performing organization, the Village Manager's Office continued to focus on the implementation of technology to support improvements to the internal environment and Village Hall workspace, employee recognition activities, internal services/systems and ongoing strategies to improve relationships with our collective bargaining units through a focused effort to keep contracts current.
- The Village Manager's Office hosted employee appreciation breakfasts to celebrate each new year and we held an ice cream social to celebrate the end of summer for all employees. Village wide, new training opportunities for all employees, entitled Oak Park 101 were continued in 2017.
- Externally, the construction of the Emerson at the corner Lake and Maple is nearing completion and the first tenants moved in during Q3 7. The new urban Target is scheduled within the development in October 2017.
- The 2017 Village of Oak Park Citizen Survey will begin in Q3 and results will be presented in January 2018.

2018 WORK PLAN

The FY18 Village Manager's Office work plan will be defined by the new Village Board upon the adopted of the Village Board Goals and Objectives.

COMMUNICATIONS

EXECUTIVE OVERVIEW

DEPARTMENTAL SUMMARY

The Communications Department manages both external and internal communications, informing the public about municipal government programs, services and activities, and providing employees with information relevant to their duties and responsibilities. Department staff uses a wide range of proven public information tools, including print, electronic and broadcast media to carry out its mission. Tasks performed by Communication staff include the following:

- Write, design, produce and manage informational messages for the full range of communication tools, including electronic, broadcast and print.
- Manage the public website, oak-park.us, and the employee intranet website
- Manage the official social media communications tools, including [Facebook](#), [Twitter](#), [YouTube](#), [Pinterest](#) and [Instagram](#).
- Publish [enews](#), an ongoing subscription-based, direct electronic news information dissemination tool with more than 3,200 subscribers.
- Produce publications such as brochures, booklets, flyers, signs, the *OP/FYI* community newsletter and quarterly *Employee News*.
- Manage news media relations, including issuing news releases, answering inquiries from reporters and handling crisis communications and response.
- Operate the Village's government access cable television station VOP-TV, producing original video programming as well as live broadcasting and streaming meetings of the Village Board.
- Serve as in-house editors and writers of a wide range of messages created by other departments and volunteer bodies.
- Design and produce all forms and documents necessary for conducting business with the Village, including employee business cards.
- Provide video and photographic services for all departments, including training films, audio-visual support and photographs for employee identification badges.
- Provide support to the Village Manager's Office assembling and disseminating agenda materials for Village Board meetings as part of the online public policy transparency suite that includes streaming and archiving meetings online in a searchable database.

2017 ACCOMPLISHMENTS

- Increased reach of Facebook messages, with an average of about 123,000 impressions per month. On track to post more than 375 Facebook messages this year to an audience that has steadily grown to nearly 8,000 followers. Added 829 new followers in the first half of the year, a 10.5-percent increase in total audience. Engagement is on the rise, with Village posts shared more than 3,100 times and commented on more than 900 times through first half of 2017.
- Tweeted 381 messages through the first half of the year, averaging 860 impressions and 15 engagements per tweet (retweets, likes, url clicks). Village's Twitter account has more than 5,300 followers and grew by roughly 6.5 percent (353 followers) in the first half of the year.
- Added 434 Instagram followers in the first half of the year, marking a 44 percent increase in audience size to what is now more than 980 total followers. Created 116 Instagram posts, averaging 57 likes per post.
- Generated 116 quality engagements across social media platforms during the first six months of the year in which Village staff directly fielded a question or complaint from a social media user and provided a timely response.
- Increased *enews* list serve to more than 3,200 subscribers through July 2017, maintaining a near zero unsubscribe rate. Subscriber access now nearly evenly split between mobile and desktop devices.
- Produced 25 new, original programs for VOP-TV and YouTube through first half of 2017. Now have more than 360 original videos online that have received almost 55,000 individual views through the first half of the year, representing some 88,000 minutes of Village-centric messages watched online.
- Published nine issues of the six-page OP/FYI community newsletter that is distributed to every residential household in Oak, taking the Village messages across all socio-economic levels. Allowed other taxing bodies to include inserts and be mailed for free.
- Expanded gathering of public input online via the Village website using commenting approaches refined during the I-290 reconstruction meetings. Integrated online information dissemination and gathering techniques with online surveys.
- Refined employee website launched in late 2016, including creating a new staff telephone directory that incorporated individual photos and email addresses with telephone numbers. Continued moving items from shared folders to online for improved employee access and searchability.
- Supported Police in managing and disseminating public information messages related to multiple high-profile incidents.

- Managed regular updates to Village website, which is on pace for nearly two million page views this year. Parking continues to be most visited pages, along with online payment services and Human Resources.
- Supported the mission of the Civic Information Systems Commission, including successfully testing paying a small sum to boost Facebook posts about internet speed survey to audiences beyond standing Village fans.

2018 WORK PLAN

- Identify and implement a new public information tool to broaden citizen engagement through a communication channel that may make it easier to request services, report problems and share opinions.
- Investigate professional assessment of public website to determine if changes are needed to how information is presented and organized.
- Continue to work on better integration of device-responsive public website with a growing number of third-party applications that have been embraced for service administration, including BS&A, GIS Consortium and VillageView.
- Grow the Village's social media presence as an additional, effective tool for timely, direct citizen interaction.
- Integrate short-term needs to upgrade aging VOP-TV equipment within longer-range plans that will help ensure video capabilities remain at high standards for maintaining this vital public policy making communications channel.
- Continue to support all Village departments with public information message packaging and distribution to maximize effectiveness and maintain professional communications standards.
- Enhance efforts to help build and maintain morale and loyalty among Village employees with continued focus on internal communications, small-scale special events and recognition of individual efforts.
- Support the mission of the Civic Information Systems Commission.

HUMAN RESOURCES

EXECUTIVE OVERVIEW

DEPARTMENTAL SUMMARY

Human Resources provides internal services to all departments via highly complex administrative support of the Village Manager, Department Directors and all employees by managing recruiting procedures, employee/retiree services, equal opportunity employment plan management, position classification and pay plan management, records maintenance for all Village employees reflecting tenure, qualifications and service, leaves of absence and related matters, and administration of retirement and insurance plans via a third party contractor.

Services are provided through the following programs:

- **General Administration** – Maintaining accurate employment and benefit records
- **Labor Relations** – Assisting in the negotiation and administration of nine collective bargaining agreements and administering the Personnel Manual to ensure that contractual terms and conditions of employment and general Village policies are applied in a fair and equitable manner.
- **Benefits Administration** - Providing and administering a comprehensive employee benefits program that is cost effective while also considered by employees as having value in terms of their total compensation from the Village.
- **Employment** – Being recognized as an employer of choice through an effective talent management program that includes applicant management, on-boarding, performance management, learning management and recognition and rewards (including compensation) management.
- **Training** – Creating and sustaining a learning environment to communicate Village Guiding Principles and Values, enhance employee engagement through opportunities for personal and professional growth, and evaluate and affirm that programs and services are aligned to Village Board priorities and strategic objectives in a cost-effective manner.

2017 ACCOMPLISHMENTS

- Improved employee relations:
 - Developed a focused approach to developing relationships with all levels of management and employees. The HR Department worked cooperatively with management, employees and the union to resolve performance concerns through one-on-one coaching and focused performance management.
 - Developed a testing and interview process for new hires which added a focus on soft skills such as working in a team environment, customer service and adaptability to ensure the Village work environment remains positive and minimized negative employee relation issues.

- Integrated Village principles through the development of a new on-boarding process:
 - Developed a new on-boarding experience which included the use of new and existing employee videos helping new employees to better understand the Village's expectations as an employer as well as presenting policy and principle in an easy to understand presentation. The new process also included tours of Village facilities and online training to reinforce values and principles.

- Improved employee soft and technical skills:
 - Developed and implemented a focused customer service training built on the considerations our community's expectations with respect to our role as a public entity.
 - Developed diversity and respectful workplace training which integrated classroom and online learning.
 - Developed and implemented management and supervisory training which focused on the legal considerations and appropriate processes for leaves, workplace injuries, harassment, reasonable suspicion, OSHA and public safety training.

- Improved benefit administration:
 - Focused closely on the daily administration of benefits through weekly audits; process review and improvement and integrating retirees, COBRA and PSEBA participants into electronic files.
 - Developed a process for review of PSEBA benefits and integrated State mandated reporting for benefit recipients.
 - Reviewed and updated all benefit records for compliance with the Affordable Health Care Act (ACA).
 - Systematically reviewed and updated all enrollments for voluntary benefits such as life insurance to resolve inconsistencies in premiums and enrollments.

- Improved HR processes and record keeping:
 - Audited and improved all HR financial processes and obligations to ensure that billing was appropriate and timely.
 - Proactively audited and updated all employee information in ADP to ensure that the transition to a new electronic record system, BS&A would be as efficient as possible.

- Conducted process improvement analysis on all HR tasks and functions to improve our ability to support Village departments and ensure compliance with all state and federal laws.
 - Encouraged continued education and learning for all members of the HR team so that best practices and the most current application of employee relation laws are in practice.
 - Partnered with the Finance Department in the transition from ADP to BS&A and Kronos.
 - Selected a permanent vendor for temporary employment placements through a competitive RFP process. The new vendor allowed for reduced cost through price control and elimination of the traditional transition fee.
- Managed health through wellness:
 - Reinvigorated Oak Park 101 with the Village's first Wellness Fair which provided the opportunity for employees and retirees to receive flu shots and learn about wellness offerings and daily, small changes which will lead to better health.
 - Started the Walk to Wellness Club which offered group activities and incentives to Village employees for meeting specific goals and improving one of their health challenges.
- Developed a strong leave management program
 - Outsourced the Village FMLA process to the Village EAP vendor Perspectives. This allowed employees a neutral administrator who is well versed in the mandates of the federal leave program.
 - The selection of Perspectives allows for employees to utilize the EAP resources for those needs unique to their leave.
 - Developed a "Non-FMLA" leave for employees who required a continued absence from the workplace after the exhaustion of their FMLA entitlement. The new policy allowed for better management and communication with employees out of the workplace; assisted in setting goals for return and allowed the Village to manage accruals and benefits more effectively.
- Managed public safety recruitment process:
 - Successfully managed the recruitment and hiring of twelve (12) police officers and the promotional process for Police Sergeant, Police Commander, Police Deputy Chief and Fire Lieutenant as well as the hiring of six (6) Firefighter/Paramedics.

2018 WORK PLAN

1. Continue the focus on improved employee relations:
 - a. To meet this objective the Human Resource team has adopted the following mission statement: *“The mission of the Oak Park HR department is to build a strong, diverse workforce in a team environment that is respectful of the individual through a fair and educated application of all rules, laws and contractual language; in conjunction with effective training and communication programs and through continued processes improvement and the use of technology, workshops and special events.”*
 - b. Continue to manage employee relations through an integrated approach which considers the Village and employee needs with a primary focus on delivering the highest level of customer service.
 - c. Provide continued training opportunities for employees focused on their roles and responsibilities in creating a positive work environment, customer service and improving technical skills.
2. Provide managers and supervisors the tools to effectively manage their teams:
 - a. Develop an electronic management toolbox that consists of clearly understood processes, roles and responsibilities. The toolbox would be a resource for all employee issues from hiring to separation and would allow managers and supervisors more confidence in following processes and procedures.
 - b. Continue training for managers and supervisors to ensure that they are comfortable in their application of human resource laws and practices and employment and payroll processes.
3. Capitalize on opportunities presented by new financial systems to improve HR processes:
 - a. Develop communication protocols, tracking methods and accountability loops through the use of Lazerfish as a training forum.
 - b. Continue HR process improvements through a proactive management of transition to BS&A and Kronos which will allow for better tracking and management of paid time off; contractual obligations; pay issues and leave management.
4. Continue to monitor and stabilize leave programs:
 - a. Work with vendor to ensure a fair and applicable application of all federal and state laws to requests for workplace leave of absences.

- b. Work proactively with managers and the third party administrator for worker's compensation to ensure injured employees are allowed all rights and provisions defined by law; are tracked and monitored appropriately and are returned to the workplace as appropriate to their injury.
- 5. Develop robust wellness program:
 - a. Integrate a wellness approach to health management through group participation events, education and participation.
 - b. Develop partnerships with community health and wellness providers to find opportunities for an expanded wellness program.
- 6. Continue support of external committees:
 - a. Provide leadership to the Fire and Police Commission in the recruitment and promotional processes for our public safety departments.
 - b. Partner with the Police Department in our work with the Citizens Police Advisory Committee.

LEGAL

EXECUTIVE OVERVIEW

DEPARTMENTAL SUMMARY

It is the mission of the Law Department to provide effective legal services to the Village Board, the Village Manager, Boards and Commissions and Village staff.

The Law Department is responsible for all legal matters concerning the Village of Oak Park. Such matters include the following: advice and counsel, the prosecution and defense of civil litigation, workers' compensation claims and other contested matters, real estate, land use and zoning matters, transactional matters, development agreements, the drafting of ordinances, resolutions, contracts, policies, memorandums and other documents, the enforcement of the Village Code and Village ordinances, traffic court prosecutions, collections, document review, procurement of the Village's excess insurance policies and property and casualty policy, provide legal support for Freedom of Information Act requests, and various other matters as they arise. The Law Department consists of the Village Attorney, Assistant Village Attorney, and Legal Secretary.

2017 ACCOMPLISHMENTS

Significant accomplishments include a reduction in pending civil litigation and workers' compensation cases pursuant to dismissals or settlements reached during the year, bringing additional work in-house at a cost-savings to the Village, cost containment of the Village's excess insurance policies and property and casualty policy, drafting and adoption of numerous ordinances to be codified as part of the Village Code, acting as the liaison to the Liquor Control Review Board and working to implement various processes for the Board, the drafting, review and approval of 263 contracts through July 19, 2017, and 347 contracts during 2016 and the drafting, review and approval of 71 ordinances and 190 resolutions through July 19, 2017. The Law Department completed the sale of Village-owned properties for the South and Harlem development, the District House development on Lake Street, the purchase of the Lake and Forest Parking Garage, and continued legal work on other real estate developments in the Village.

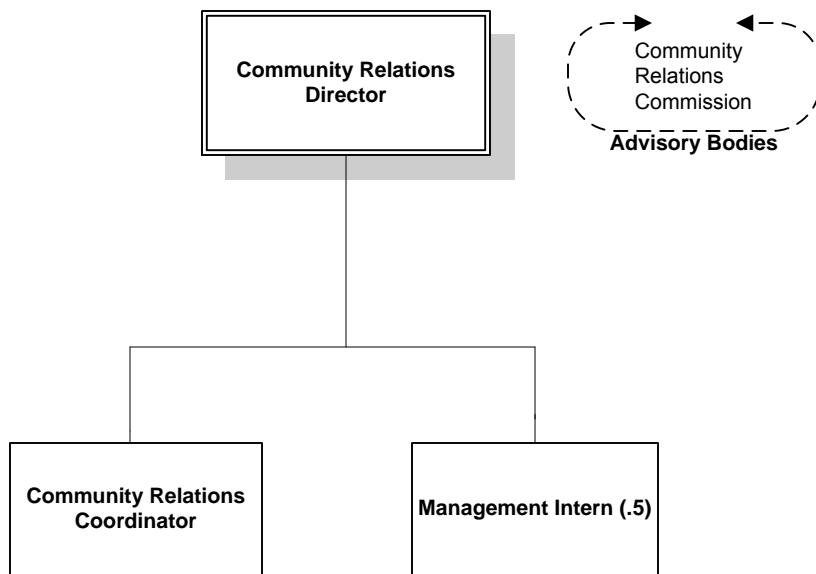

Projects and planned accomplishments for the remainder of 2017 include completion of various real estate transactions for properties on Madison Street, continuing work on pending civil litigation and workers' compensation cases and bringing such matters to a successful conclusion, continued standardization of contracts, intergovernmental agreements, partner agency agreements, and Board agenda item matters, work related to various pending property developments in the Village and the review of liquor license classifications and fees for licenses.

2018 WORK PLAN

The 2018 Work Plan for the Law Department includes continued aggressive efforts to successfully defend civil litigation and workers' compensation matters brought against the Village and affirmative litigation in favor of the Village, the rewrite and revision of various chapters and articles of the Village Code, continued standardization of contracts, intergovernmental agreements, partner agency agreements and forms for use by the Law Department and other departments, acting as liaison to the Liquor Control Review Board and the handling and processing of liquor license matters to the Village Board and continued legal support for responses to Freedom of Information Act requests. The proposed 2018 budget will provide the necessary resources to handle these matters and other matters as they arise throughout the 2018 budget year.

COMMUNITY RELATIONS

EXECUTIVE OVERVIEW

DEPARTMENTAL SUMMARY

Established in 1971, the Oak Park Community Relations Department is responsible for monitoring and enforcing the Village's Fair Housing and Public Accommodations Ordinances. The Department is established specifically by Municipal Code and also provides a wide range of intervention and outreach services to the community designed to enhance the overall quality of life and promote the Village's goal of fostering diversity and respect for human differences. The Community Relations Department works amongst and through each department within the Village for the provision of its multiple services to residents. The department accomplishes its mission via three areas of service delivery, including:

Tenant/Landlord Relations

- Investigates complaints of discrimination, unlawful management practices and code compliance for mitigation
- Provides diversity counseling and training to the public, residents, landlords and realtors to increase awareness of diversity and inclusion issues
- Mediation of landlord tenant disputes to promote long term tenancies in rental sector
- Conducts fair housing and educational sessions to realtors, landlords, tenants and public

Community Outreach Services

- Serves as Village information clearinghouse
- Develops programs that promote neighbor connectivity
- Provides new resident information and orientation services
- Facilitates neighborhood and community conflict resolution
- Provides referrals to community resources
- Trains residents for community organizing projects
- Coordinates Village's graffiti hotline and removal program

Special Events and Services

- Coordination of Day in Our Village Festival
- Coordination of July 4th Diversity Parade
- Middle School Human Relations Awards
- Youth Life/Employment Skills Program
- Coordinates Diversity Dialogue Dinner Program

2017 ACCOMPLISHMENTS

- Department successfully coordinated 44th Annual Day in our Village Festival to promote diversity and community engagement throughout the Village. Largest vendor participation since the festival's inception was accomplished this year with 177 vendors participating. This year's festival included three organizations from the Austin community after proactive outreach conducted by Community Relations Department to link the Oak Park and Austin communities.
- Department coordinated and produced the 2017 July 4th Diversity Parade to showcase the Village's diversity and commitment to community pride. Outreach was conducted with neighboring communities for cross-community cohesion. Largest registration of participants since the event's inception accomplished with nearly 80 groups participating.
- Department coordinated and produced 14th Annual Summer Youth Skills Workshop program in partnership with the Oak Park Public Library to provide youth with critical skills necessary to navigate the employment arena and make positive life choices.
- Department Director participated as presenter for Alliance for Innovation Learning Lab series to discuss and highlight the Community Relations Dinner and Dialogue outreach program designed to foster inclusion and racial understanding throughout the community.
- Department began review and update of landlord/tenant handbook resource for consumers.
- Conducted Fair Housing training for thirty two building owners/managers to improve their knowledge of Fair Housing issues and resources for clients.
- Department coordinated five dinner dialogue sessions in collaboration with Community Relations Commission to promote cultural/racial understanding.
- Provided support to Community Relations Commission work plan goals.
- Department Director conducted outreach activities to the Austin and West side community to increase networking and joint initiatives to build stronger relationships between communities.

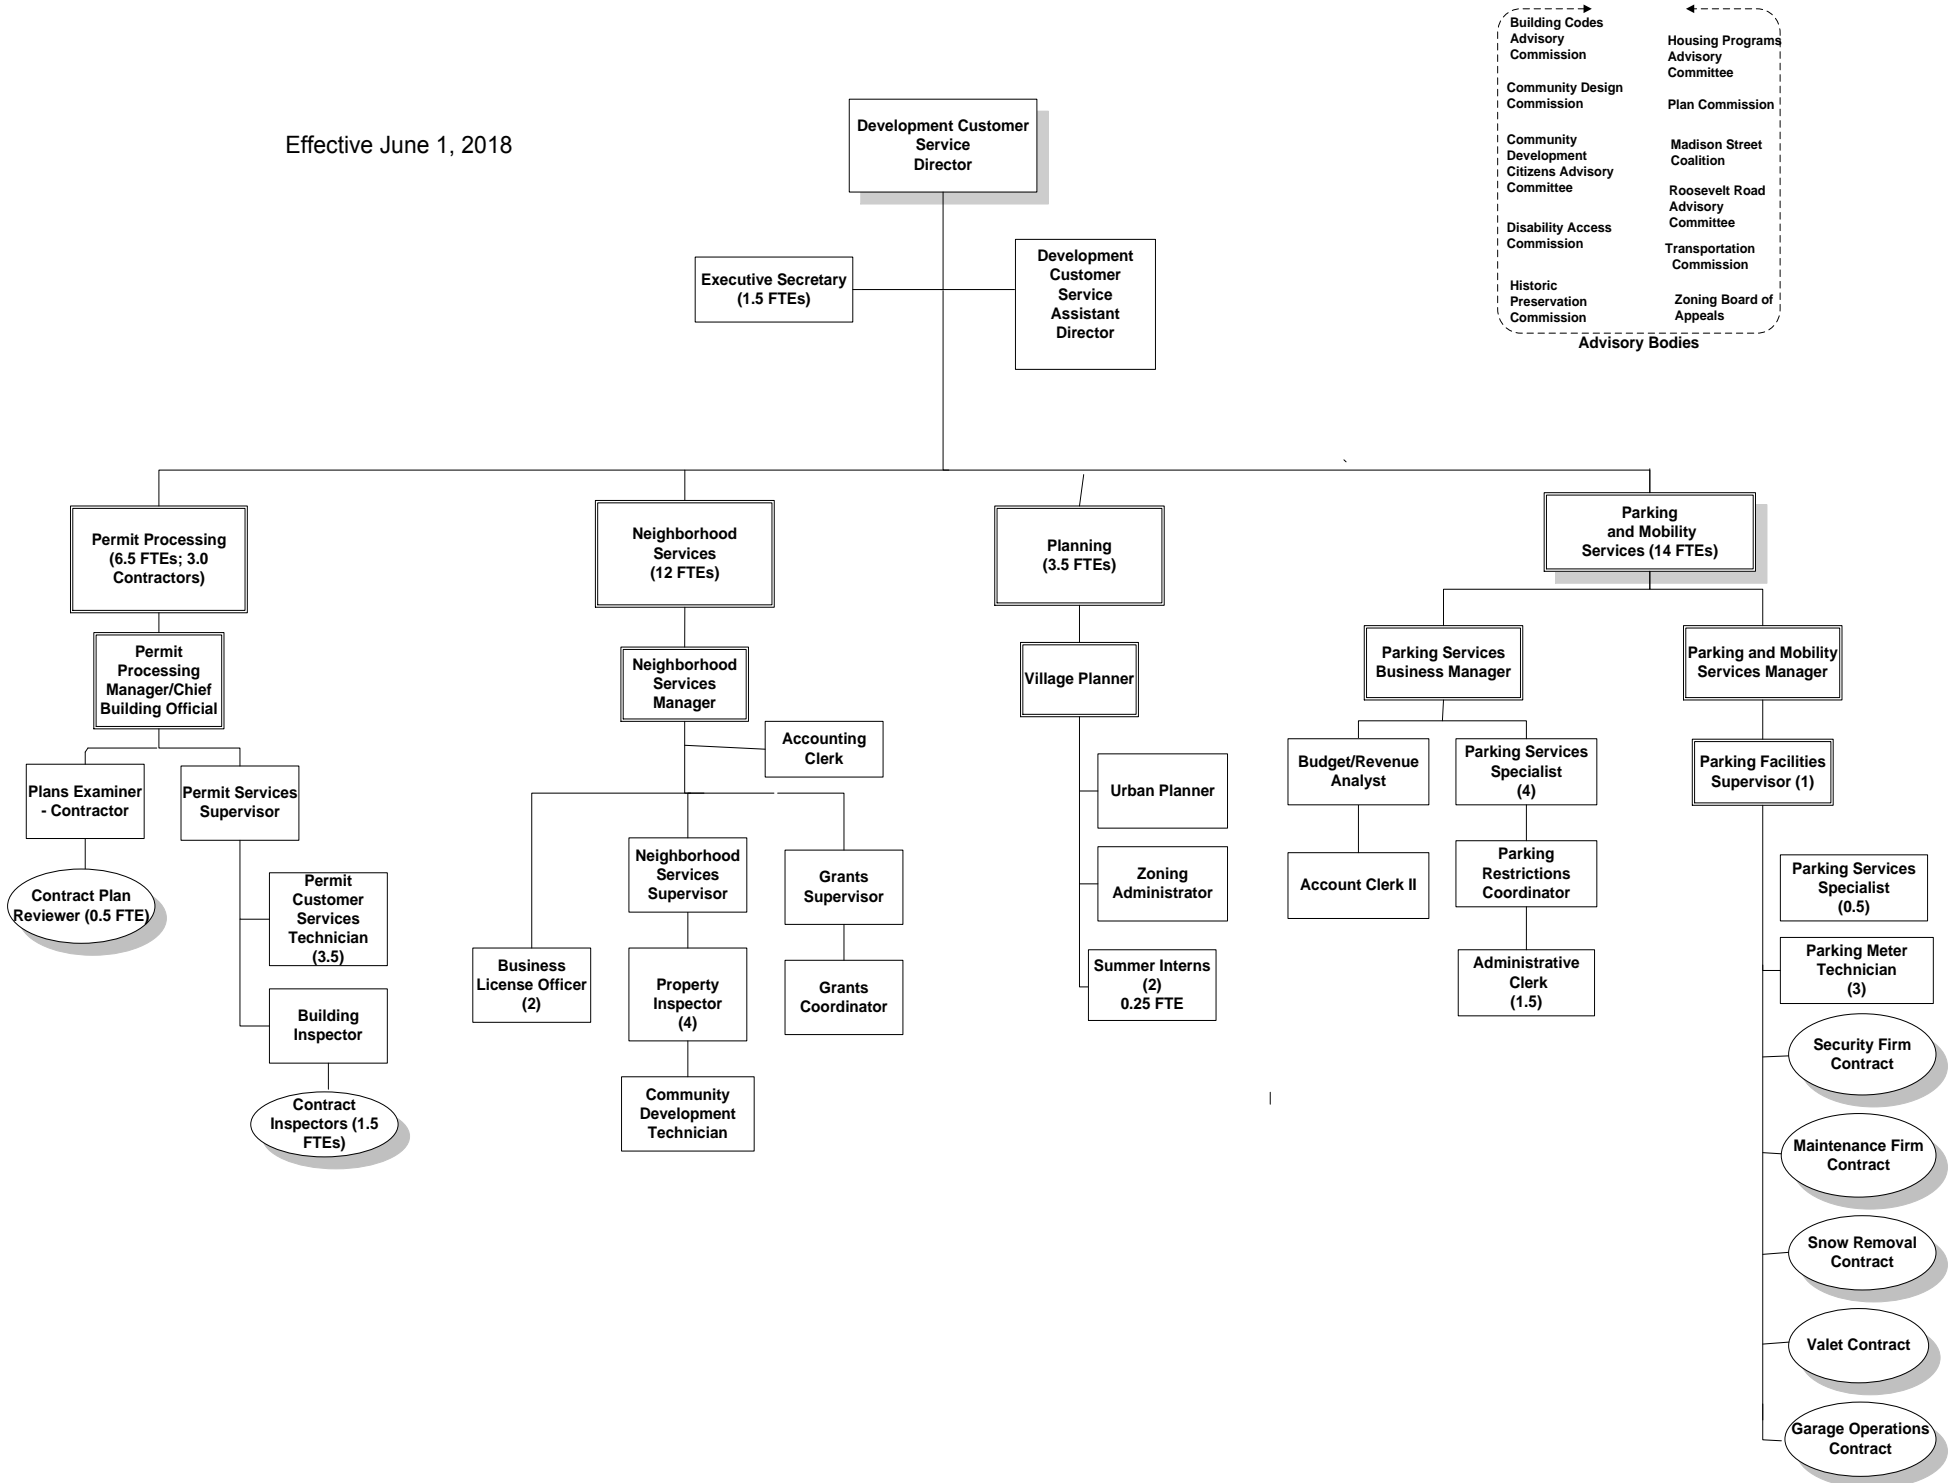

2018 WORK PLAN

- Department will continue work with staff of Housing Forward on development and implementation of Tenant Information Seminars to educate and equip program clients with basic Fair Housing information that will lead them to become more knowledgeable on their rights as tenants.
- Department and Commission will continue to work with local service entities to foster development of volunteer teams to assist with community special events such as Day in our Village and July 4th parade activities.
- Department will coordinate and execute 45th Annual Day in our Village Festival.
- Department will coordinate and execute 14th Annual Diversity Parade and activities.
- Department will coordinate and execute 2018 Youth Skills Initiative in partnership with public library.
- Department will continue to serve as consultant to school Districts 97 and 200 on community issues of race relations, cultural issues and diversity.
- Department will coordinate public forums with Community Policing Resource officers to assist with neighborhood tensions and conflict resolution as appropriate.
- Staff will explore feasibility of establishing quarterly Community Relations Awards Ceremony for residents who exemplify attitude and philosophy of inclusion in the community.
- Department will continue cross-community activities with Austin, Berwyn, Cicero and Galewood communities by establishing quarterly meetings to generate updates on community events and activities that can be shared.
- Department will explore reconvening local school visits by staff to share with students and faculty Oak Park's history and current efforts to foster diversity and inclusion.
- Department will continue to provide support to Community Relations Commission on work plan goals and objectives.

Development Customer Services

Executive Overview

Departmental Summary

The Development Customer Services Department is a combination of four divisions: Business Services, Planning, Permit Processing and Neighborhood Services. The department delivers its services through the following divisions:

Administrative Division – oversees the work of the four divisions and manages the development activities of the Village.

Business Services Division – responsible for licensing and inspections of all businesses and is a liaison to the business districts. Business Services is the first point of entry for new businesses in the community.

Planning Division – responsible for all planning activities including new developments and existing Village plans. The Division also is responsible for zoning and historic preservation.

Permit Processing Division – responsible for issuing of permits for all construction activities in the Village.

Neighborhood Services Division – responsible for the Village's housing programs, Community Development Block Grant activities and property maintenance issues, including the Neighborhood Walk program, rental unit inspections and neighborhood complaints.

2017 Accomplishments

Administration

- Coordinated the activities of the entire Department including the successful implementation of a new software solution that combines the Permitting, Licensing and Inspection functions into a single solution, VillageView.
- Managed all major development projects for the Village, including negotiating and implementing all redevelopment activities, and coordinating timely and efficient response from all other Village departments involved. Major projects included Chicago Maple, 1 Lake Street, Emerson, Lincoln Properties, District House, Lexington Homes and Albion.

Business Services

- Provided business ombudsman services to more than 100 new businesses entering the community.
- Conducted 30 preliminary property needs assessment site visits.

- Successfully executed Business License Renewals in new operating system updating all accounts with new demographic data.
- Developed an on-line business handbook providing access to information regarding opening and maintaining businesses in the Village.
- Completed Phase 1 of a comprehensive Municipal Wayfinding Signage assessment and design project, and entered into Phase 2 – Implementation Planning.
- Developed a new ordinance governing BYOB (Bring Your Own) services that was adopted by the Village Board.
- Reviewed and Revised Ordinances governing Business Licensing (Chapter 8), including the sale of tobacco products, and day/night care centers; Streets and Sidewalks (Chapter 22) Commercial use of Public Space.
- Issued 2,000 business licenses, including liquor and chauffeur licenses.
- Conducted more than 500 commercial inspections, both scheduled and complaint-based.
- Reviewed and revised as needed all licensing and commercial inspection processes.
- Continued refinement to detailed retail sales tax report for use by the Village Manager’s Office and Board of Trustees.
- Worked closely with the Oak Park River Forest Chamber of Commerce to develop and implement a business district support strategy.

Neighborhood Services

- Serviced seven projects under the Single Family Housing Rehabilitation Loan Program. Some 16 inquiries were received, 4 of which would be eligible for the program, with the six submitting applications. Most project applications were taken from a 2016 wait list and completed in 2017.
- Assist 10 new units under the Small Rental Properties Rehabilitation Loan Program. Six program inquiries were received in 2017 with the two completed projects (10 units) coming from the 2016 wait list.
- Awarded grants under the Multi-family Housing Incentives Program to 16 properties. Staff also continued working with grant recipients of grants from prior years. The program now encompasses 77 buildings containing 1,438 units.
- Distributed 100 water conservation kits under the Residential Energy and Water Conservation Program.
- Processed 50 new applications for the Sewer Backup Protection Grant Program for the Public Works Department.

- Administered the Community Development Block Grant (CDBG) and Emergency Solutions Grant (ESG) to fund Village activities and non-profit agencies that provided services such as fair housing, health, early childhood development and nutrition for low income individuals and assisted persons experiencing homelessness and those at risk of becoming homeless.
- Applied to Housing and Urban Development for funds to create a Section 108 loan pool for economic development. The program would allow businesses to apply for capital and construction financing that creates or retains jobs for low and moderate income people.

Permit Processing

- Issued over 3500 permits
- Completed approximately 4,800 reviews, including about 2,200 over-the-counter reviews.
- Performed more than 8663 inspections, including building, mechanical, electrical, plumbing, accessibility, energy and conveyance.
- Facilitated many business occupancies including US Bank, Wild Onion Tied House, Café Descartes, Cooper’s Hawk, Rush Oak Park Hospital’s new emergency room and Target.
- Processed large developments including:
 - Oak Park Station (1132/1135 Westgate)
(Mixed use/ 270 unit apartment building – under construction)
 - Lincoln Development (1133 South Blvd.)
(New 263 unit residential building – breaking ground)
 - District House (147 Euclid Ave.)
(New 28 unit residential building – under construction)
 - Bank of America (1144 Lake St)
(Commercial buildout of an existing four story building)
 - Bank of America (6729 North Avenue)
(New Commercial Building)
 - Vantage Oak Park (150 Lake St.)
(Mixed use/ 270 unit apartment building)
 - The Oasis (22 unit townhome project)
- Answered more than 4,000 telephone inquiries, the majority to schedule inspections and plan reviews.
- Implemented the new permit fee schedule that simplified fee calculation.

- Helped more than 40 potential new businesses at pre-project meetings to answer code-related questions and to help determine business model viability.
- Oversaw contractor HR Green to provide customers with quicker plan reviews as well as next-day availability of inspectors.
- Continued the *Document Digitizing Program*, working with a contractor to digitize all legacy paperwork reducing the need to store thousands of paper files and offering quicker access to staff and the public. Compiled more than 130,000 documents for the program.
- Continued the *Elevator Inspection Program* by overseeing contractor elevator inspection services in providing safety inspections twice a year.

Planning

The information below represents the Planning Division's accomplishments for the first half of the 2017 budget year. These incorporate historic preservation, zoning and planning accomplishments.

- Reviewed more than 1,930 building and sign permit applications for compliance with the Zoning Ordinance, Sign Code and historic preservation regulations.
- Reviewed and approved 35 business licenses for zoning compliance.
- Processed 64 public hearing applications.
- Participated in 44 after-hour meetings for various boards and commission and community matters, including preparing agendas, supporting documentation and draft minutes for most events.
- Issued monthly e-newsletter regarding historic preservation matters for interested property owners and citizens.
- Reviewed and processed many sign variance applications, special use applications, Planned Development Ordinance amendments/reinstatements, Zoning Ordinance variation applications, Zoning Ordinance text amendment applications, Section 106 historic reviews and historic preservation applications.
- Performed reviews for certificates of zoning, prepared zoning verification letters, reviewed complaints of various zoning issues and conducted onsite inspections for on-going Planned Development projects.
- Served as liaisons to the Plan Commission, Zoning Board of Appeals, Historic Preservation Commission and its subcommittees, Community Design Commission and Madison Street Coalition.
- Served or attended meetings and workshops: Business Association Council, Oak Park Economic Development Corporation meetings, Project Review Team, Downtown Construction Team and Permitting and Licensing System Committee.

- Participated in a wide range of projects, including a Zoning Ordinance Update, North Avenue Financial Study, Chicago / Harlem Streetscape, Lake Street Streetscape, TIF/ROI Report, Architectural Review Guidelines, Permit Software Replacement, Harrison Street Plan RFP and Interview Process, Madison Street ROW Enhancement project, I-290 Bridge Enhancements, Wayfinding Signage consultant selection and project and the Budget.

Projected accomplishments

- Facilitated 2017 awards for historic preservation and Cavalcade of Pride.
- Researched historic landmark nominations.
- Finalized Historic Preservation Guidelines.
- Lake Street Enhancements – next steps.
- Madison Street Enhancements – next steps.
- Special Use Applications and Zoning Ordinance text amendments, Variance Applications, Planned Development applications.

2018 Work Plan

Administration

- Continue to take the lead in implementing VillageView, including beginning an intensive communications strategy to ensure the public understands how the system works and refining the system to improve the customer service experience.
- Focus on development projects on the Madison Street, Harrison, North and Roosevelt corridors, while also working to support the Village Board goal of creating an economic development environment that includes a clear, comprehensive approach to meeting the needs of diverse constituents for commercial vitality throughout the Village.

Business Services

- Continuing Review Chapter 8, Articles 3-35 of the Village Code (Business Licensing).
- Work with the Law Department to review and recommend revisions as needed to Chapter 3 of the Village Code (Alcohol Liquor Dealers), including fee structures.
- Develop and execute a new business marketing support program.
- Monitor and revise business licensing processes to provide enhanced services to our customers.
- Work with the Police and Public Works departments to conduct a comprehensive review of current taxi licensing processes, including exploring a multi-jurisdictional process with neighboring communities.
- Provide staff support to the Business Association Council, and act as Village representative of various business districts.
- Develop a business support program to help mitigate the negative impacts to the local business community from development projects that may break ground in the downtown commercial district and Madison Street corridor over the next two years.
- Initiate the final two phases of the wayfinding project to be scheduled over a multi-year period.

Neighborhood Services

- Continue working to increase efficiencies related to property complaints, including implementing the performance-based rental licensing and inspections ordinance to ensure that residential properties are maintained and available funding is used to proactively address issues.
- Complete seven rehabilitations and assist 10 households through the Single Family Housing Rehabilitation Program.

- Continue to offer Sewer Back-up Prevention grants and water saver kits.
- Create a program to offset homeowner investments in storm water retention improvements.
- Continue to recruit buildings in need of diversity or at risk of segregation to participate in the Multi-Family Housing Incentives Program.
- Continue to implement the federal Section 108 Loan Pool pilot program, providing three loans of up to \$1,000,000 each. Each loan will create or retain one job to a low or moderate income person for every \$35,000 financed.

Permit Processing

- Continue implementation and modification of VillageView, the new online permit system software. Benchmarks will include expanding the level of online services, improving process transparency and improving interdepartmental communication related to plan reviews through an electronic tracking system.
- Maintain a high level of customer service while learning to be more effective and efficient.
- Continue updating all code requirement bulletins and guidelines to inform the general public of various construction activities.
- Meet an anticipated high volume of plan reviews and inspections for ongoing, large-scale developments; residential and commercial inspections; plan reviews and permit processing.
- Continue to focus on staff training and obtaining certifications.
- Continue to work with our contractor to maintain quicker plan reviews and next-day availability of inspectors.
- Continue the *Document Digitizing Program*, working with a contractor to digitize all legacy paperwork.
- Continue the *Elevator Inspection Program* by overseeing a contractor to provide elevator safety inspections twice a year.

Planning

- Design consultant (Wight & Co) to be on retainer for building permit and planned development plan reviews.
- Business District Plan for 2018.
- Hire two staff interns: The Planning division seeks the use of two interns: 1) to input outstanding historic preservation data into the existing Ruskin Arc software as well as clean up existing data, all of which will migrate to VillageView in the near future; and 2) to update the 2014 Comprehensive Plan Metrics diagram relative to goals and objectives activities through an interview process.

- RuskinARC Contract: The Planning Division continues to use the services of RuskinARC for maintaining the Village’s historic preservation district information.
- Frank Lloyd Wright Guidebook; The Planning Division historically maintains several historic preservation resources; one such resource is the Frank Lloyd Wright guidebook. Staff is proposing to have it redesigned, reprinted and developed into an E-Book version for sale that can be downloadable.

Effective June 1, 2018

FINANCE

EXECUTIVE OVERVIEW

Departmental Summary

The Finance Department oversees and manages all financial operations of the Village and is responsible for providing internal customer service to other Village Departments and maintain the financial health of the organization in accordance with the annual budget and the requirements of the Municipal Code. The Finance Department directly oversees accounting, audit, budget, debt issuances, purchasing, and payroll.

The department resources include the General Fund, Sewer Fund, and the Equipment Replacement Fund. Services are provided through the following divisions: Administration, Accounting, Budgeting and Performance Management, Payroll, Records storage and retention for all Departments and Purchasing.

Administration

The Administration Division provides general support to the operating divisions of the department. Tasks include providing customer service regarding all department activities to both internal and external customers.

Accounting

The Accounting Division is responsible for the timely and accurate recording and financial reporting of all Village financial activity.

Budgeting and Performance Management

The Budget Division is responsible for management and oversight of the process by which the Village Board and Manager allocate resources. As a means to evaluate competing demands, the division also coordinates the Village's MAP program to assess and communicate how to best utilize resources to meet the policy objections of the governing body.

Payroll

A decision was made to outsource payroll in early 2014. Although this function is outsourced, in essence there is still a great deal of internal tasks which are required such as tracking and approving time, reviewing payroll reports and files, and updating employee pay rates (including retroactive calculations) and deductions.

Purchasing

The Purchasing Division coordinates the overall procurement of goods and services to ensure the process results in the selection of the most cost-effective solution to the Village. The division ensures the Village's purchasing process meets all state and local rules and regulations.

2017 ACCOMPLISHMENTS

Financials

- Implementation of a new Enterprise Resource Planning System.
- The Comprehensive Annual Financial Report (CAFR) was produced in a timely manner and management letter comments will be appropriately addressed. The Village received the GFOA Certificate of Achievement Award for FY15 and has applied for this reward for the FY16 CAFR.
- Improved accounting procedures and increased efficiencies.
- New and improved quarterly financial report.

Budgeting

- An improved and more transparent budget which received the GFOA Budget Award.

Purchasing

- Increased efficiencies and improved procedures tracking and entering credit card transactions.
- A more standardized process for requests for proposal.
- Better tracking of purchased through the new ERP purchase requisition and order module.
- Selection of new copier machine vendor as well as postage machine and inserter equipment.

2018 WORK PLAN

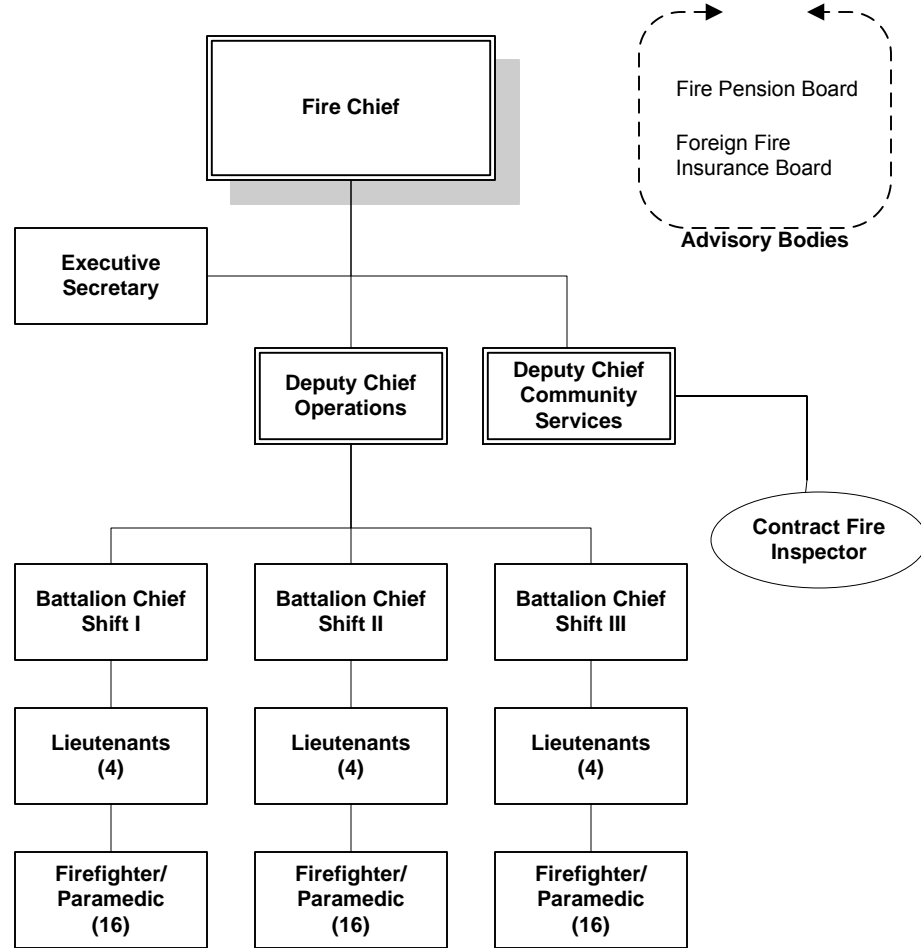

- Transition from outsourcing payroll to completing in-house utilizing the BS&A payroll module and linked Kronos timeclocks and software.
- Apply for and receive both the Certification of Achievement for Financial Reporting Excellence for audit year 2017 and the GFOA Budget Award for 2018.
- Continue reviewing and improving internal controls.
- Streamline operations wherever possible and improve efficiencies within the department to maximum production and quality of work.
- Strategically plan and focus on the Village's overall finances, especially in areas related to outstanding debt and capital improvements.
- Request feedback and improve as necessary the financial reporting for elected officials and management.

EXECUTIVE OVERVIEW

DEPARTMENTAL SUMMARY

The Oak Park Fire Department's primary mission is to protect the lives and property of all residents and visitors on a daily basis. This is accomplished through the delivery of fire suppression operations, emergency medical services and fire prevention through inspections, public education and code enforcement. The Fire Department will assist the public in all areas of emergency and non-emergency situations as well as provide mutual aid to other local and state agencies. The department provides emergency medical care in both advanced and basic life support with highly trained licensed paramedics.

The Oak Park Fire Department maintains 3 fire stations that are strategically located to provide optimal response times to emergencies within the Village Oak Park. Included are divisions for Administration, Operations, Emergency Medical Services (EMS), Fire Prevention and Fire Investigation, Training, Public Education and the Technical Rescue Team (TRT).

2017 ACCOMPLISHMENTS

The Fire Department has accomplished or is on schedule to complete all our projected work plan tasks for 2017:

Accomplished:

- Awarded FM Global Grant of \$2000.00 for the After the Fire Smoke Detector Awareness Program.
- Awarded Department of Homeland Security Assistance to Firefighter Grant of \$106,051.00
 - Wellness/Fitness Program-Peer Fitness & NFPA 1582 Annual Physicals
- Regional application submitted to Department of Homeland Security Assistance to Firefighter Grant of \$419,536.21.
 - New Station Alerting System for all Fire Departments involved in the West Suburban Consolidated Dispatch Center.
- Application submitted to Department of Homeland Security Staffing for Adequate Fire & Emergency Response Grant of \$524,114.00.
 - Hire (3) Additional Firefighter/Paramedics
- Application submitted to Motorola Solutions Foundation of \$10,000.00.
 - Wellness/Fitness Program-Functional Movement Screen for Firefighter/Paramedic
- (2) New cardiac monitors placed in service on front-line ambulances
- (3) New Fire Apparatus Mobile Data Computers and Implemented Fire Hydrant Collector Program.
- Established a Residential/Commerical Keybox Program and Accountability System on Apparatus.
- New Oxygen Filling Station installed at Fire Station 1.

In-Progress:

- Village management was successful in negotiating a settlement for the Unfair Labor Practice with Union regarding the Fire Inspector Position
 - Pending Village Board Approval.
- Labor Relations: Lieutenants and Firefighters Union Contract expires at the end of 2017.
 - Develop a management plan for negotiations with Village staff.
- Working with Union leaders to establish a Wellness/Fitness & Bike Medic program for the Fire Department.
 - Draft of Contract Language Completed
- Station check software is in the development stages; this system will be used for daily checks, apparatus checks, SCBA repairs, clothing inspections and track fire department assets.
- Fleet Replacement Committee established: New Ambulance and Fire Engine is scheduled to be purchased in 2018 to replace 2009 Ambulance and 1998 Fire Engine.
- Digitalize policies and procedures are on target to be implemented in the 4th quarter of 2017 using the Lexipol software.
- CityView: Deputy Chief of Community Services and Inspectors will continue to implement the inspection and plan review programs.

- Request GIS Business Intelligence Tool: The business intelligence tool is designed to work with our records management system (Firehouse Software) and provide us with a multi-directional data analysis tool to evaluate the data collected in Firehouse.
- Fire Department eligibility list for the position of Lieutenant will be completed in September.
- (2) Vacant Lieutenant Positions will be filled; once Lieutenant promotional process is completed.
- (1) FTE Firefighter/Paramedics will be hired in August due to pending retirements in July of 2017.
- Develop and implement response best practices and data collection/analysis process to support effective and efficient emergency service response times.
- Building (Capital Projects) Station 1: Pending Village Board approval
 - Repair Fire Administration Roof and Remodel Basement Bathroom at Fire Station 1
 - Remodel Fire Station 2 Bunk Room
 - Remodel Fire Station 3's Locker room and Restroom

2018 WORK PLAN

A major effort of the Oak Park Fire Department is to maintain a results-oriented agency. Continuous improvement, maximum efficiency, and service are pursued through the following anticipated FY18 objectives and performance measures:

- Develop and improve training programs to safely and effectively support the mission of the Oak Park Fire Department.
- Deploy fire suppression resources to contain and extinguish fires, minimizing injuries and property loss consistent with ISO standards. Continue to achieve a 4-minute response time for the first arriving OPFD unit 95% of the time, and an 8-minute response for the entire first alarm assignment 90% of the time.
- Deliver emergency medical services in a professional and timely manner.
- Maintain equipment in a state of readiness to handle emergency operations.
- Improve OPFD services while enhancing firefighter safety and improving employee wellness.
- Enhance coordination between OPFD and surrounding communities to improve public service delivery.
- Reduce fatalities, injuries, and property damage through proactive services.
- Develop Fire Department internship program for high school or college students interested in a career in the fire service.
- Fire Department eligibility list for new Firefighter/Paramedics expires in July of 2018. Develop recruitment campaign with Human Resource Department targeting ethnic minorities and women to the Fire Service.

INFORMATION TECHNOLOGY

EXECUTIVE OVERVIEW

DEPARTMENTAL SUMMARY

The Information Technology (IT) Department oversees the Village's computer and telephone systems and is responsible for providing internal services to other Village Departments via the administration and support of various office technology services, communication systems and data processing services that are utilized daily in all department operations in accordance with the annual budget document. Basic office technology support ranges from printer, desktop, laptop and mobile devices. Communication systems include local data network, Internet, security, wireless, cellular, fiber-network and voice. Data processing services include the business and process analysis to enhance service to the operating departments and the residents of Oak Park.

2017 ACCOMPLISHMENTS

Below, departments/divisions will provide a descriptive narrative of the accomplishments and/or planned accomplishments for their departments for 2017.

A few of IT accomplishments include the following:

- E911 Locate on Mitel phone system
- Reconfiguration of Village Hall offices phase 2
- Identified appropriate Police MDC's (Getac) and printers (RW420) and began installation with major assistance from PW Fleet
- Video and Keycard Access security upgrade for Village Hall, Police Station and PWC
- Implementation of BS&A ERP including environment configuration, end-user deployment, data conversion and continued support
- Identified appropriate Fire MDC's (MS-Surface) and began installation with major assistance from PW Fleet
- Replacement of Citrix in DCS, Health, Community Relations and HR
- Update of legacy Windows-XP system to help address ransomware attacks
- Assisted Xerox copiers upgrades including post rollout security review
- Continued support of CityView, development of new reports (Tax Assessor, MAP and letter revisions), scheduled processes, GIS updates and owner updates
- Continued support of Parking Citation, Permit, Passes and Vehicle Sticker
- GIS – BS&A Utility address cleanup, Fire Hydrant Flow collector, PD Special Watch, PD Beat, Zone & Post layers

A few of IT plans still to be accomplished include the following:

- Video and Keycard Access (Core System) security upgrade for Police Interview Rooms, Pump Stations, Fire Stations and Garages. Additional work for Parking Intercom system
- Laserfiche (Core System) acquired to replace legacy PaperVision system, CityView repository, BS&A repository and implement a HR workflow process
- Fiber WAN (Core System) consulting services as part of IGA with SD97 for needs assessment, solution options, RFP development and optional oversee 2018 construction
- WestCom CAD/RMS and integration with Village GIS (Core Systems) is an on-going project
- Human Resources Information System (HRIS) is a new core system to be implemented 2018-Q1
- Village Hall UPS upgrade
- Complete installation in most/all Police in-car printer and MS-Visio for crash reports
- Continued work with Parking Technologies consultant & operating departments
- CityView cut-over for Health Inspections, Excise Tax and Alarm Registration & Billing
- Fill Systems Analyst vacancies
- TBD – Reconfiguration of Village Hall office phase 3
- North Fire Station remodeling & watch desk
- GIS Next – Zoning Districts, Street Light Inventory & Utility data migration, Community Portal, Update CIP Story Map, Revise Parking Permit

2018 WORK PLAN

Below, departments will present a detailed discussion of the issues and projects to be undertaken that they expect may impact their departmental/activities in 2017, and **how their proposal will address those issues.**

Please include dollar amounts and timeline when appropriate. Also, please highlight expected participation by other Village departments if necessary (i.e. IT).

- Human Resources Information System (HRIS) – This has been identified as a new core system that will need to incorporate general HR process, payroll (BS&A) and Benefit processes. It will be a cooperative work requiring participation from HR, Finance, IT, Fire, Police and other departments. HR and Finance should be budgeting this appropriately.
- Parking Technology solution project – This is a continuation of work and require Parking, Police, Adjudication, Finance and IT participation. This is shared funding from ERF and Parking with an overall requested amount of \$360,000. Ideally, we have a replacement system selected by end of 2017 in order to eliminate PeopleSoft/Oracle from the village.
- OmniForm Technology – This is a legacy technology heavily utilized in Police. This requires heavy Police participation for IT/consultant to understand each form and process. Participation of WestCom and/or Sungard is needed to determine CAD/RMS and Laserfiche capabilities and which system is best suited to meet Police requirements. This is anticipated to be a multi-year project. An amount of \$20,000 has been requested in external support.
- Fiber Wide Area Network (WAN) project – If board approves funding and strategy, this will significantly increase the resiliency and performance of our network to remote village facilities and departments. Primary work will be with IT, PW Engineering and likely School District 97. An amount of \$535,000 in the 2018 ERF has been requested similar to 2017 budget.
- CityView Adjudication Module – Adjudication has a custom MS-Access legacy Local Ordinance (LO) system. Around 50% of LO citations comes from department users of CityView while the rest is Police. Participation from Adjudication, DCS, Health, Fire, Public Works, Police and IT is needed to configure and implement this module. Once other priorities with WestCom’s CAD/RMS are completed, we can look at automating data exchange. DCS is funding this project for \$20,000.
- Enhance Security Software – This is to help improve ransomware attacks that can significantly disrupt operations. IT has requested an additional \$12,000 in the software license account.
- 1 GB Internet Service – Internet usage by customers and operating department continues to increase just to perform system security updates, hosted services and online customer activities. IT has requested additional \$36,000 in the telecommunication account.

POLICE

EXECUTIVE OVERVIEW

Departmental Summary

The Oak Park Police Department is a full-service law enforcement agency serving the citizens of the Village of Oak Park. The mission of the Department is to provide high-quality police services that are accessible to all members of the community. The Department believes in the dignity of all people and respects individual and constitutional rights in fulfilling this mission. In order to achieve this mission, the Department has adopted Community Based Policing which includes the following components: citizen involvement, problem solving and quality of life focus, ethical behavior, situational leadership, and employee value. It is our goal to incorporate these values in the organization, and throughout our interactions with the community to promote a desirable quality of life in the community, with a commitment to maintaining and improving peace, order, and safety through excellence in law enforcement and community service.

The department has both sworn police officers and civilian personnel assigned to operating and support programs in two bureaus:

Field Services Bureau – The Field Services Bureau is responsible for performing a variety of duties related to the protection of life and property and enforcement of criminal and traffic laws, parking enforcement, prevention and investigation of crime, collection and preservation of evidence, preservation of the public peace, and the apprehension of violators of the law. This bureau also manages the Field Training and Evaluation Program.

Support Services Bureau – The Support Services Bureau includes: Investigations, Drug Enforcement Administration (DEA) and Regional Computer Forensic Laboratory (RCFL) assignments, Resident Beat Officer and Neighborhood Resource Officer Programs, Records, School Resource Officer Program, Evidence and Property, Training and Research and Planning.

2017 Accomplishments

- The department continues to further the Crisis Intervention Team initiative. A Crisis Intervention Team (CIT) program is a model for community policing that brings together law enforcement, mental health providers, hospital emergency departments and individuals with mental illness and their families to improve responses to people in crisis. Currently the department has increased the number of certified officers to forty (40).
- The department hosted a 40-hour state-certified Crisis Intervention Team training. The specialized course provides sworn personnel with tools for responding to calls involving mental illness, substance abuse and other related crisis incidents.
- Using grant funds and working in collaboration with Elementary School District 97 and the Oak Park Township Mental Health Board, the department implemented the Emergency Bracelet Identification Program. The bracelets, which are green in support of mental

health awareness, are designed to improve communication between emergency first responders and individuals with mental health challenges.

- Conducted the second of a series of “Fireside Chat” Community Meetings in collaboration with Community Relations. The purpose of the meetings is to build upon the established relationship with citizens and discuss strategies to address crime and quality of life concerns.
- Building on what was learned from the 2017 Procedural Justice for Law Enforcement course; the department partnered with the University of Illinois and Grayson Media to produce procedural justice training videos for the USDOJ COPPS office. These videos will be used to support procedural justice training for law enforcement nationwide.
- In coordination with the Oak Park School District 97, the department’s Community Policing Unit participated in school safety training in furtherance of school safety and security. Additionally, the department continues to collaborate with District 97 in the annual review of all the district emergency operations plans.
- In the furtherance of succession planning, the department has taken the following actions in 2017; conducted an interim deputy chief promotional process, administered both a commander promotional process and a sergeant promotional exam, administered a police officer entry exam and conducted a community service officer hiring process.
- Implemented the Operation Shattered Stars Peer Support Team. Operation Shattered Stars Peer Support Team provides trained peer supporters who can give confidential, appropriate, and supportive assistance of officers and their families in times of crisis.
- Implemented Taser program. The Department has entered into a 5 year partnership with AXON, INC for the acquisition of 50 Tasers and the requisite training associated with developing a sustainable deployment program. This less lethal addition to our Use of Force Continuum will be phased in to field operations in several stages during the coming months. The goal of the program is to improve officer safety and reduce injury.
- Implemented a VIRTRA Training Simulator Program, in collaboration with the Cook County Sheriff’s Police Department. The VIRTRA program provides officers a platform for scenario based training that simulates real life situations. This technological environment provides officers the opportunity to utilize skills related to situational awareness, critical thinking, communication, decision-making under stress, reading body language and threat cues, de-escalation techniques and the use of non-lethal and lethal force.
- Implemented online in-service training program. The Department has contracted with the Police Law Institute for online training services that will reduce officer liability risk while covering all Illinois Law Enforcement Training and Standards Board (ILETSB) mandates. The training is North East Multi-Regional Training and ILETSB approved. Officers will, on a monthly basis, take web based courses and examinations on legal updates.
- The department implemented a procedure to review and update all general orders, rules and regulations, training bulletins and special directives. These revised materials will be disseminated to all department personnel.
- Subscription to the LeadsOnline program. LeadsOnline is a technology based service assisting law enforcement in identifying offenders who sell stolen merchandise to pawn brokers and second hand shops. LeadsOnline can provide the link between

investigators and stolen items which can be instrumental in solving a variety of crimes.

- Certification of Detention Facility. The Illinois Compiled Statutes [730 ILCS 5/3-15-2(b)] authorizes the Illinois Department of Corrections to inspect municipal adult [jail/lockup] facilities. The State of Illinois completed a review of the municipal lockup facility at the Oak Park Police Department and found it to be in compliance with state standards.

2018 Work Plan

- In collaboration with District 97, implement a Junior High Mentoring Program. The Junior High Mentoring program will be an expansion of the current explorer program with modifications to incorporate more community engagement. The program would solicit community professionals to provide presentations on their chosen career and then engage students in how those careers benefit the community as a whole. Besides the exposure to various professional fields, the students will benefit through their involvement by developing social skills, building of self-worth/self-confidence, and networking.
- The department will expand the Oak Park Police Chaplain Program. The police chaplain program creates a partnership with various faith-based leaders to respond and assist police and other law enforcement agencies providing appropriate assistance, advice, comfort, counsel and referrals to those in need who may request support. The goal of the expansion will be to provide the department chaplains with email addresses and voice mail extensions to afford increased access for citizens and officers.
- The department will continue the VIRTRA Training Simulator Program, in collaboration with the Cook County Sheriff's Police Department, which provides officers, through use of technology, a platform for scenario based training that simulates real life situations.
- Expand Police Bike Patrol Program. The department will offer training to shift patrol officers on bike patrol techniques. An expansion of the program will increase visibility and opportunities for citizen engagement.
- Conduct an Emergency Preparedness Operations Exercise for Village Leadership. The Department will seek FEMA support for funding a table Top Exercise to test the capabilities of the Village of Oak Park Emergency response to a Weather Emergency
- With the goal of having all sworn personnel certified over the next two years, the department will continue to train officers in the 40-hour state-certified Crisis Intervention Team training.
- Building on the department's partnership with the University of Illinois, the third phase of procedural justice training will be offered to all line level police personnel.
- The department will evaluate and expand the Taser Program.
- The department will continue to review and update all general orders, rules and regulations, training bulletins and special directives. These revised materials will be disseminated to all department personnel.
- In the furtherance of succession planning, newly appointed commanders will be selected to attend the Federal Bureau of Investigation National Academy, Police Executive Research Forum Senior Management Institute for Police or the North Western University Center for Public Safety School of Staff and Command.
- In the furtherance of succession planning, the department will provide all new sergeants with a minimum of 80 hour Supervision of Police Personnel training. Supervision of Police

Personnel prepares participants to make a successful transition from officer to supervisor. Students learn motivational principals, communication, ethics, professionalism, planning, decision-making and leadership.

- In an expansion to our LeadsOnline program, the department will launch a citizen web based reporting system that will provide a convenient way to register property through an online service.

HEALTH

EXECUTIVE OVERVIEW

DEPARTMENTAL SUMMARY

The Oak Park Health Department has been an Illinois' certified local health department' since 1948. It is one of only four municipal certified health departments in suburban Cook County. As such, the Department is required to deliver the ten essential public health services of a local health department:

1. Monitor health status to identify and solve community health problems.
2. Diagnose and investigate health problems and health hazards in the community.
3. Inform, educate, and empower people about health issues.
4. Mobilize community partnerships and action to identify and solve health problems.
5. Develop policies and plans that support individual and community health efforts.
6. Enforce laws and regulations that protect health and ensure safety.
7. Link people to needed personal health services and assure the provision of health care when otherwise unavailable.
8. Assure competent public and personal health care workforce.
9. Evaluate effectiveness, accessibility, and quality of personal and population-based health services.
10. Research for new insights and innovative solutions to health problems.

As a delegate agency for the State of Illinois a certified health department must maintain qualified staff to carry out public health programming and must complete a community health needs assessment and strategic plan (IPLAN) every five years. The IPLAN for 2017-2022 was completed in 2017 and submitted as part of the State's recertification requirement and is posted on the Village website.

A certified local health department is uniquely qualified to deliver Local Health Protection programs which are core public health programs and include food protection and communicable disease control. The Local Health Protection Grant is awarded to every certified health department, annually, to help defray a portion of the costs of carrying out these programs.

Every year the Health Department receives grants from local and state agencies including Cook County, the Illinois Department of Human Services and the Illinois Department of Public Health (IDPH) to carry out a variety of public health programs. These include:

- Food Protection
- Communicable Disease Prevention and Surveillance
- HIV Surveillance
- Childhood Lead Poisoning Prevention
- Illinois Tobacco Free Communities Programming
- West Nile Virus/ Mosquito Prevention Programs
- Body Art (Tattoo) Inspections
- Public Health Emergency Preparedness and Response Activities
- Farmers' Market Double Coupon Incentive Programs
- Rodent Control to the External Environment, and

- Family Case Management

In addition to delivering grant funded programs, the Health Department is also required to address the health priorities identified by the Department and its community stakeholders in the IPLAN process. The health priorities identified for 2017-2022 are obesity prevalence, chronic disease, youth alcohol and substance abuse, under-addressed mental and behavioral needs, illicit opioid use and needs of people with developmental disabilities are under-addressed. The Health Department will be collaborating with internal staff and external stakeholders to address the health priorities.

The Health Department staff consist of the Director, two Licensed Environmental Health Practitioners ('Sanitarians'), one Public Health Nurse, one Administrative Assistant, one part-time Grants Coordinator and one Animal Control Officer. In addition, the Department contracts with a part-time Public Health Specialist, to carry out grant funded work related programs such as tobacco prevention programing. The Department also contracts with the PCC Wellness Center for required Medical Consultation by Paul Luning, MD, MPH and with an Illinois licensed pest control company for additional rat control resources.

The Department is responsible for management of animal control. The Department provides monitoring and oversight of the Village's agreement with the Animal Care League , first entered into in 2007 and renewed most recently in 2017 for a period of five years, which provides care for impounded animals, redemption of animals as well as adoption services.

The Oak Park Farmers' Market and its contracted staff also are managed by the Health Department. The Farmers' Market which runs from mid-May through the end of October annually has contracted staff including a Market Manager and Market Assistants.

There are two advisory bodies that work under the Health Department, the Board of Health and the Farmers' Market Commission. The Board of Health has seven members and serves as an advisory body to the Director of Public Health and makes recommendations on issues related to disease prevention and health promotion. The Farmers' Market Commission has eleven members and works closely with the Market Manager to make the Oak Park Farmers' Market one of the most successful farmers' markets in Illinois. The Commission coordinates special events, helps publicize the market, volunteers on market Saturdays and recommends any changes in operating policies and/or regulations to the Market Manager, Director of Public Health and Village Board.

2017 ACCOMPLISHMENTS

- The Village entered into grant agreements with the Illinois Department of Public Health, the Illinois Department of Human Services, the Cook County Health Department, the Public Health Institute of Metro Chicago and other grantors for a total of approximately \$286,000 in potential grant revenue.
- The Department completed the Illinois Project for Local Health Assessment (IPLAN) process in 2017. The IPLAN is a community health assessment and

strategic planning tool required of certified health departments in Illinois every five years. The IPLAN process is a series of activities including an organizational capacity assessment that addresses the Health Department's strengths and areas for improvement; a community health survey; a community health needs assessment in which a representative group of community stakeholders reviews health data to assist in identifying community health priorities; and a community health planning process which results in evidence based strategies to address community health priorities. Staff resources were heavily invested in the process and staff will continue to work on the IPLAN over the next five years. The health priorities identified for 2017-2022 are obesity prevalence, chronic disease, youth alcohol and substance abuse, under-addressed mental and behavioral needs, illicit opioid use and needs of people with developmental disabilities are under-addressed. The Health Department will be collaborating with internal staff and external stakeholders to address the health priorities.

- The Department renewed the Village's agreement with the Animal Care League, for a period of five years (July 1, 2017-June 30, 2022); which provides care for impounded animals, redemption of animals as well as adoption services.
- The Food Program transitioned to using the newly amended Illinois State Food Service Sanitation Code including using a new food inspection form for documenting food inspections. The code changes included several significant updates that required updates in internal business rules with inspections and inspection activity.
- The Village filled the vacant Public Health Nurse position. The Public Health Nurse is responsible for managing the Family Case Management program, Childhood Lead program, HIV/AIDS Surveillance program and Communicable Disease program.
- The Village hired a Public Health Specialist to manage the Teen Pregnancy grant, Illinois Tobacco-Free Communities grant and Vector Surveillance Grant.
- The Health Department was an active participant with the Oak Park Township as a coalition partner for the Strategic Prevention Framework – Partnership for Success Grant. The purpose of the grant is to support the Township and all the coalition partners to reduce the 30-day alcohol use rates and negative consequences of underage drinking amount 8th to 12th graders, as reported in the Illinois Youth Survey.
- The Health Department participated on the Health Impact Collaborative of Cook County Central Stakeholder Advisory Team meeting which is responsible for completing a comprehensive needs assessment for not-for-profit hospitals located in Cook County.
- The Health Department played a significant role in planning for the implementation of the new VillageView Permitting, Licensing and Code Enforcement System. In 2017, the Health Department started using three new workflows including food inspection, food complaint and environmental health complaint processes.

- The Farmers Market received an additional \$10,149 in CDBG funding to help support the Double Value Coupon Program for Link customers which allows recipients to purchase up to an additional \$25 worth of Link eligible food products at each Farmers Market.
- The Village entered into an annual agreement with the Public Health Institute of Metropolitan Chicago to carry out additional surveillance work on residents who have been diagnosed with HIV/AIDS and are apparently no longer in care, in order to reengage with medical care, case management and to offer partner notification systems.
- Communicable Disease staff provided mandated certified Health Department surveillance services for communicable diseases occurring in any Oak Park resident and STI treatment confirmation, etc. for any persons treated by Oak Park health care providers. Several outbreaks were managed including a norovirus case at a long-term-care facility and a norovirus case at a school.
- Health staff taught the “Draw the Line/Respect the Line” teen pregnancy Prevention program, an evidenced-based curriculum for adolescents, with 6th, 7th and 8th grade students at St. Catherine’s School. The program was funded under a grant from the IDPH Teen Pregnancy Prevention Grant.
- Staff facilitated several presentations at Oak Park parent and professional organizations titled “Talking to Kids about Sex”. The presentations were funded under a grant from the IL Department of Public Health Teen Pregnancy Prevention Program.
- The Emergency Preparedness program successfully completed the annual IDPH Medical Counter Measures - Operational Readiness Review (MCM ORR). This was previously known as the LTAR, the Illinois Department of Public Health inspected Village plans, policies and training in relation to the Strategic National Stockpile (SNS) plan. The SNS plan is designed to provide medicine to the population of Oak Park in 48 hours of activation.
- Emergency Preparedness provided CERT (Community Emergency Response Team) and MRC (Medical Reserve Corps) training to volunteers. These groups met and trained quarterly. Members volunteered to assist the Police Department with traffic control, the Village of River Forest with recycling days, and the American Red Cross with Multi-Agency Resource Center (MARC) operations in support of flooding recovery activities in Lake County.
- Provided all deliverables in support of the PHEP (Public Health Emergency Preparedness) Grant and the CRI (Cities Readiness Initiative) Grant.
- The Village successfully updated the Village’s Emergency Operations Plan in conjunction with the Village Managers Office and other key Village Departments and stakeholders. This plan was approved and adopted by the Village Board in April 2017.

- The Emergency Preparedness Manager coordinated with the Fire and Police Departments and worked with local schools and businesses in reviewing emergency and safety plans.
- The Village signed a contract with a third party Illinois licensed pest control company to provide for village-wide rodent control.
- The Communicable Disease program worked closely with several Oak Park schools, students, parents and close contacts to provide for education, surveillance and consultation on communicable disease cases at Oak Park schools.
- The Communicable Disease program worked closely with residents, local health care providers and the Illinois Department of Public Health to obtain testing for the Zika Virus.
- The Animal Control Division worked with the IT Department to continue the process of sending animal license renewal reminders via email versus solely paper mail reminders, saving the Village money on postage and making the process more efficient for both residents and the Village.
- The Animal Control Division worked collaboratively with the Village's Communicable Disease Nurse to manage several cases where humans came into contact with bats. Management included testing the bats and post-exposure rabies prophylaxis for two individuals when the bat they came into contact with tested positive for rabies.
- As mandated with the Local Health Protection Grant Rules, the Health Department's Food program completed close to 900 food safety inspections at Oak Park's licensed food establishments and permitted/inspected approximately 85 temporary food vendors.
- The Village helped approximately 400 cats and dogs that are found at-large, with most animals returned safely to their owners.
- The Health Department continued to investigate revenue opportunities to increase revenue from existing and/or new programs to help fund the Health Department activities.
- The Health Department provided food safety and sanitation presentations to licensed food services such as the Oak Park River Forest High School.
- The Farmers' Market staff with the help of the Farmers' Market commission managed 13 kid's events, 5 government organizations participation, 3 special events (corn roast, go green days and stone soup), 26 bake sale participants and 34 farmers'

market vendors. 2017 marked the first year where temporary 'pop up' vendors were able to participate in the market on a week to week basis.

2018 WORK PLAN

- The Department is recommending that a new full-time Grant Coordinator position be created. Creating a full-time Grant Coordinator position would eliminate two positions: the current Public Health Specialist contract position and the part-time Grant Coordinator position. The responsibilities of the full-time Grant Coordinator position will include grant coordination and management of all Health grants, public health education, direct management of the Tobacco-Free Communities grant, Childhood Lead grant and the HIV Surveillance grant. The Childhood Lead Grant and HIV Surveillance grants are currently managed by the Public Health Nurse. Moving these two responsibilities from the Public Health Nurse will allow the nurse to focus his/her attention on the Communicable Disease program and Family Case Management program as well as perform the responsibilities under the agreement with the Collaboration for Early Childhood. The creation of a full-time position will impact the General Fund budget by approximately \$36,883.
- The Department will work with the Collaboration for Early Childhood on a partnership around the Public Health Nurse position and the Family Case Management (FCM) program and coordinated outreach and referral for home visiting programs throughout Oak Park. Through this partnership, the Collaboration would provide funding support for this position, above the amount of the FCM grant. This would help the Village to support this position at full time and possibly increase the salary range of the position to attract a qualified registered nurse. The Nurse Family Case Management position ensures children under age two who are medically fragile, low income or living in other very challenging home environments receive visits from a trained nurse who follows the child to monitor their growth and development. Equally as important are the referrals and connections to the home visiting programs that the Nurse Family Case Manager has provided in the past. The Collaboration would benefit from this arrangement by consolidating the outreach and intake function for home visiting, ensuring that children are referred to the home visiting program in Oak Park that best meets their needs.
- The Department will research, seek out and recommend new grant opportunities to the Village Manager and Village Board that will benefit the Village fiscally and will enhance the public health of Village residents.
- The Department will continue the partnership with the PCC Wellness Center for medical consultation as needed.
- The Oak Park Township's Community Mental Health Board, the River Forest Township's Mental Health Committee and the Health Department will partner and collaborate with schools, hospitals, mental health organizations and all

other Public Health organizations on tackling the priorities identified during the IPLAN process. This will be a beneficial partnership to leverage creativity, experience and community resources.

- The Emergency Preparedness Program will continue to seek ways to outreach in the community as well as review opportunities for collaborating with nearby communities.
- The Link double-coupon program will be marketed to, and utilized by, an increased number of recipients as a result of continued funding obtained from the CDBG program as well as from private grant funders.
- Opportunities for increased outreach by organizations and agencies in the community at the Farmers Market will be made available.

Effective June 1, 2018

PUBLIC WORKS

EXECUTIVE OVERVIEW

DEPARTMENTAL SUMMARY

The Department of Public Works is charged with a wide range of tasks associated with the Village's infrastructure. In addition to the more traditional infrastructure-related duties such as street maintenance, safe drinking water delivery, sewer collection, and capital improvements, divisions within the department also maintain the Village's extensive urban forest, manage refuse, recycling and composting collections, and maintain traffic signals and streetlights. Public Works staff is also responsible for maintaining all municipal facilities and equipment, including vehicles for Police, Fire, Park District as well as its own vehicles.

The department resources include the General Fund, Water and Sewer Fund, Capital Improvements Fund, Motor Fuel Tax Fund and Environmental Services Fund.

Services are provided through the following divisions: Administration, Engineering, Streets Services/Street Lighting, Fleet Services, Building Maintenance, Forestry, Water and Sewer and Environmental Services.

2017 ACCOMPLISHMENTS

Administration Division

- The Customer Service Call Center located at the Public Works Center is on pace to make approximately 29,000 customer contacts throughout 2017. These contacts consist of phone calls, voice mails, emails and in-person contacts generating approximately 9,000 work orders.
- Approximately 4,300 invoices will be processed through accounts payable.
- It is anticipated that over 400 Block Parties will be processed this year.

Engineering Division

- Successfully designed and managed the 2017 Capital Improvement Program which reached approximately \$20 million including water and sewer improvements. The most challenging projects were the Chicago Ave resurfacing project, water and sewer improvements, and the local street and alley improvements.
- Managed a variety of consulting firms working on major projects or studies including the Madison St. streetscape and road diet project, alley improvements, resurfacing of various streets construction oversight, water sewer design and oversight, oversight of the various developments, and the Lake St streetscape project.
- Continued working with private developments for public utility and street improvements including the Emerson Development, District House, South Blvd and Maple Development, Chicago and Maple development.
- Assisted in the development of the 2018 Capital Improvement Program.

Street Division

- The division continued to increase quality in utility opening pavement restoration work including sidewalk and concrete curb work.
- Replaced/installed over 1,200 signs Village wide.
- The division removed graffiti from over 400 locations.
- Over 300 tons of material used to fill potholes and to repair pavement.
- Completed last season's Village wide leaf pushing program in cooperation with Waste management.
- Snow plowed and salted streets safe during 14 snow events.
- Worked over several Special Events throughout the Village by providing by providing barricades, street sweeping, and trash pickup.
- Delivered and picked up barricades for over 400 block parties.
- Put more focus on training of Streets personnel through the APWA and IMSA.
- Oversight of contractors' work has increased resulting in better performance for the Village.
- The appearance and upkeep of the Village has improved through weed control and more emphasis on supplementing the work of the de-littering contractor with in-house personnel.

Street Lighting Division

- Continued to research and field test newer LED style lighting fixtures for low level and high level.
- Continued to upgraded pedestrian signals/buttons-countdown displays at two locations.
- -Continued to change out of selected intersections of green and red LED traffic signals- about 75% of the Village's Traffic Lights have been switched over to LED.
- Focused on improving the response time for street light outages by using contractors and additional staff support.
- Completed Oak Park Ave viaduct lighting project.
- Completed Fillmore Ave switch over to LED lighting.
- Performed over 5,000 JULIE Locates.
- Tested all Traffic Signal Malfunction Management Units. These monitor components and the controller in the traffic signal cabinets. They are removed and tested once every two years and are certified by a qualified contractor.
- Installed Bike loops on Chicago Ave at Oak Park Ave, Kenilworth St, and Marion St.
- Have tested different solutions for the leaking globe pedestrian fixtures along Austin Blvd.

Fleet Services Division

- Through conservation efforts and a light winter fuel usage will be significantly less than years past. Trending for 8,000 gallons of diesel and 18,000 gallons of unleaded is less than last year.
- The division is trending to perform 470 PM services this year, a 17% increase over last year.
- Mild weather as well as an aggressive Preventative Maintenance program has helped decrease fleet Emergency repairs by nearly 50%
- The Division maintained ASE Blue Seal certification for Fleet Services.
- Telematics (GPS units) were deployed throughout 90% of Public Works. Using Telematics to identify and reeducate for excessive idling, staff was able to further decrease the Village's usage of fossil fuels.
- Staff completed a hands on inventory of the parts department.
- Provided increased educational opportunities to improve division employees skill sets, in soft skills as well as technical skills.
- Another staff member became an ASE Truck Master Certified Technician.
- Fifteen pieces of equipment were replaced per the 2017 CIP.

Building Maintenance Division

- The Second Phase of the Village Hall Furniture Project was completed in 2017. This phase included painting of the 2nd floor and other various locations throughout Village Hall, electrical work on the new work stations, installation of new wireless HUB (hold-up / panic buttons) for all work stations at Village Hall, new carpeting and paint in the Council Chambers, and new work stations for various Departments on the 1st floor.

- The Village Hall elevator interior was remodeled in 2017. New side panels and lighting was installed as well as new electrical and data/communication cabling.
- The Village Hall UPS System (Uninterruptable Power Supply) was replaced in 2017. This is a critical system of the IT Department that provides/maintains electrical power to the main computer center in the lower level of Village Hall during a power outage. The previous system had reached the end of its useful service life and the new system is a modern state-of-the-art system.
- The Public Works Center Fleet Shop received new LED lighting in the shop area in 2017. The previous ceiling-mounted light fixtures were 250 watt metal halide fixtures that had deteriorating light output and drew substantial electrical loads. The new LED lamps were installed into the existing fixtures and produce very good light output and reduced the electrical load of the Fleet shop by more than 50%.
- The Fire Department completed multiple projects as part of the CIP Building Improvement Fund.
 - o The men's locker room at the main fire station was remodeled to include new lockers, new flooring, and new lighting.
 - o The main fire station administrative roof section was restored to repair various reoccurring leaks that had damaged the interior of the building at certain locations.
 - o The north fire station bunk room was remodeled as well as the stairs leading to the second floor and the main floor restroom. This was also part of the CIP Building Improvement Fund.
 - o A property condition assessment (PCA) of the south fire station was completed in 2017. The PCA outlined the existing conditions of the building's major electrical, plumbing, mechanical and structural components and identified various deficiencies with each of those systems. The PCA will be a good tool and guide to budget for future projects and repairs.
- A new staff member in the Public Works Building Maintenance Division was added in the spring of 2017 due to a retirement – Building Maintenance Contract Coordinator. Since then, work orders and maintenance/repair items are being tracked and completed more effectively and efficiently.

Forestry Division

- The Four-year tree pruning cycle contract was completed on time and within budget. This consists of contractual pruning over 2,800 trees over 6" in diameter on the north side of the village.
- Removal of 226 trees at off-season rates. This contract is bid for winter removal of trees in order to reduce costs. The Village obtained very favorable rates for these winter removals.
- Planted of a diverse mix of 540 high-performing, properly sited parkway trees throughout the Village and maintaining them with contracted watering crews.
- Redesigned and rebid Comprehensive Landscaping Program for Village properties.

- Maintained over 180 permanent landscape areas and planting and maintained over 500 planters in 12 Business Districts throughout the Village.
- Improved and replaced plant materials at multiple locations across the village.
- Re-inventory ¼ of the Village's Urban Forest.
- Partnered with the Park District of Oak Park for Arbor Day Celebration.
- Forestry Superintendent qualified as a Board Certified Master Arborist by the International Society of Arboriculture.
- Forestry Superintendent appointed to the Illinois Forestry Development Council and Chicago Region Trees Initiative Executive Advisory Board.
- Started an Urban Forestry Management plan for the Village of Oak Park. This document will give readers an understanding of the current state of our Urban Forest; outline its needs and our standard operating procedures in its maintenance. The document will help guide the Village's forestry program in the future by identify short and long range action items and putting a value and cost on them. The development of this document will allow us to pursue accreditation as a Society of Municipal Arborists Urban and Community Forestry Program.
- Received Accreditation from Tree City USA.
- Redesign and Rebid Comprehensive Forestry Maintenance Program for Village trees.
- Continued care and maintenance of 2 bee hives on the roof of the Public Works Facility.

2018 WORK PLAN

Administration Division

- The Department will continue to work towards providing exceptional Customer Service by managing requests and work orders through the Request For Action (RFA) database and VillageView programs as well as completing the performance measures and monthly reporting.
- The Department will host a Public Works Open House as part of the EarthFest event.
- Staff will continue to coordinate regular Safety meetings of the entire Department.
- The Director will continue to have regular Public Works Employee Committee meetings to work to improve Department efficiencies and moral.

Engineering Division

- Design and manage the 2018 Capital Improvement Program.
- Refine and publish asset management plans for major capital assets utilizing GIS databases. Asset management plans will utilize life cycle cost analysis to evaluate most effective materials, maintenance programs and replacement options for various assets.
- Complete the design for the Lake Street streetscape project working aside the Village Board, Village Manager, and Development Customer Service Department to account for

the various business districts so projects can be coordinated with planned resurfacing and utility improvements and so funding sources can be identified and pursued.

- Coordinate with private development construction projects related to public improvements to minimize impacts to the community.
- Continue to manage various consultants working on capital projects.

Street Division

- Continue replacement of faded/unreadable signs Village wide.
- Strive to improve and excel in the timely upkeep and maintenance activities of business district areas, viaducts and the Village as a whole.
- Continue to improve the oversight, accountability and performance of our various Division contractor services.
- Continue to improve the skill diversity of the Division work force through increased training through IMSA, IPSI, Roads Scholar and other APWA and IDOT programs.
- Manage the snow and ice removal program by preparing for winter storms in a proactive manner.
- Work to improve the response time for repairing streets due to utility excavations.

Street Lighting Division

- Continue to improve and implement a plan to repair streetlighting outages in a more timely manner utilizing in-house staff and contractors.
- Continue to upgrade Village street lights to more energy efficient light fixtures, and continue monitoring energy savings from installation of more energy efficient light fixtures.
- Work with the Engineering Division to standardize new streetlight poles and fixtures in business districts where possible. This will allow for quicker repair and replacement.
- Continue staff education on Opticom systems. This system allows emergency personnel to change traffic signal lights in order to pass through intersections in a safe manner.
- Research upgrades for vehicle detection systems and crosswalk signals.
- Continue to research methods to make traffic signals more bicycle friendly and continue to install these devices.
- Continue to find a solution and repair leaking globe pedestrian fixtures along Austin Blvd.

Fleet Services Division

- Maintain Fleet Services ASE Blue Seal of Excellence classification.
- Continue to find ways of decreasing the Village's fuel usage as well as right size the Fleet through the use of Telematics.
- Be fiscally responsible by restoring several low mileage pieces of equipment as opposed to replacing.
- Make a complete hands on inventory of the parts department an annual event.
- Continue to increase employee productivity while maintaining our high level of service.

- Provide increased educational opportunities to improve our employee's skill sets, soft and technical.
- Add an EVT Master Technician certification to Fleet Services.
- Add another ASE Master Technician certification to Fleet Services.
- Complete reevaluation of the entire village fleet.
- Replacement of vehicles and equipment per the approved Fleet Replacement program.
- Continue working towards a downward trend in Emergency repairs through planned preventative maintenance.

Building Maintenance Division

- The 2018 CIP Building Improvement Fund includes multiple projects at various Village buildings. Some of the more notable projects include:
 - o Main Fire Station will receive new overhead doors and a new front main entrance door.
 - o The South Fire Station kitchen will be remodeled.
 - o The Metra Station will receive new doors at the north entrance and other transit station improvements are also planned.
 - o The next and final phase of the Village Hall Furniture Project is proposed to continue throughout 2018. This includes more paint work and new furniture for the second floor.
 - o Plans for a new passenger elevator for the Council Chambers will be finalized in 2018.
 - o Public Works Center Fuel Station Fuel Management System will be replaced.
 - o Public Works Center Fuel Station Lighting will be upgraded to new LED fixtures.
 - o A new UST (underground storage tank) monitoring system is planned for the Public Works Center in 2018.
 - o A new Public Works Center Rain Garden is planned.
 - o Green roof upgrades and white roof repairs are scheduled at the Public Works Center in 2018.

Forestry Division

- Complete the four year Cycle Pruning and Re-Inventory ¼ of Village Trees.
- Start tracking the cycle pruning and resident request process within the GIS inventory.
- Replace approximately 500 trees removed across the village for various reasons
- Complete development of the Urban Forestry Management Plan.
- Seek Accreditation from Society of Municipal Arborists for the Villages Forestry Program.
- Seek Accreditation from Tree City USA.
- Maintain the Village Urban Forest and Village landscapes in a safe, competent, and timely manner through maintenance programs.

- Continued care and maintenance of 2 bee hives on the roof of the Public Works Facility.
- Improve and expand Public Works Facility Green Roof.
- Design and install demonstration rain garden and parkway plantings at the Public Works Facility.

VILLAGE CLERK'S OFFICE

EXECUTIVE OVERVIEW

DEPARTMENTAL SUMMARY

The Office of the Village Clerk records the proceedings of all Village Board meetings, including committee and special meetings; maintains all official records of the Village Board (including minutes and ordinances), is the keeper of the Village Seal; and monitors Village compliance with the Open Meetings Act and Freedom of Information Act. The Village Clerk's office also serves as the local election authority and registrar for voters.

The statutory requirements of the Village Clerk include:

- Serving as the keeper of the Village Board of Trustee's permanent records, including minutes, ordinances, resolutions, proclamations and contracts

Under the Village Code, Oak Park has designated the Village Clerk as:

- Serving as the Chair of Special Events Committee
- Serving as the liaison for the Village's Citizen Involvement Commission (CIC)

The customary duties of the Village Clerk include:

- Compliance with Local Records Act
- Coordinating FOIA responses
- Serving as the local elections official (also for Parks & Library) and voter registration.

MISSION STATEMENT

Our Purpose is to preserve the integrity of, and the public trust in, the Village Clerk's office.

Our Business is to provide meticulous, accurate and professional records management, and to facilitate public participation in open government.

Our Values are to provide gracious, diplomatic customer service, and serve with fairness and accuracy.

2017 ACCOMPLISHMENTS

MINUTES, RECORDS AND TRANSCRIPTS

The Village Clerk's office supplies minutes and transcripts for all Village of Oak Park regular session Board meetings and minutes for special Village Board meetings, executive sessions, and committee meetings. All minutes, records, resolutions, proclamations, ordinances, and contracts are maintained in the Village Clerk's office.

FREEDOM OF INFORMATION ACT

The Village Clerk's office processes approximately 50 Freedom of Information Act submissions a month. This year the Village Clerk's office has begun a review of the process to improve distribution and tracking of FOIA requests in an effort to ease the burden on staff, improve response time, fulfill all requirements of the Act completely, keep accurate records, and minimize costs.

SPECIAL EVENTS

The Village Clerk's office is currently chairing a Special Events Committee charged with appropriately and sufficiently planning for special events in the Village. The Special Events Committee includes the Director of each relevant Village department. With the Village Clerk as Chair communication between Village departments and with special event organizers has improved and key areas for improving the process have been identified. The committee will be undergoing a proper review in September 2017 to update the application process and access needed fee increases to match the realistic burden on the Village.

ADVISORY BOARDS AND COMMISSIONS

The Village Clerk's office maintains the records for membership on commissions, appointments and reappointments of commissioners, maintains certification of the Open Meetings Act requirement, and serves as the staff liaison to the Citizen Involvement Commission. The Village Clerk's office and the Citizen Involvement Commission have increased citizen awareness of civic service, worked to engage and recruit from all sectors of the community, provide needed support and training to commissioners, and maintained a low vacancy rate of below 10%.

LOCAL ELECTION OFFICIAL, NOTARY SERVICES, AND VOTER REGISTRATION

The Village Clerk's office receives and maintains all records for municipal elections. In 2017 the Village Clerk's office received 21 sets of petitions for 23 candidates in the 2017 Village of Oak Park consolidated election. In addition, the Village Clerk swears in all elected officials of the Village Board, Library Board, Park District Board, and sworn Fire and Police Officers.

The Village Clerk's office provides, free of charge, notary services and voter registration.

2018 WORK PLAN

MINUTES, RECORDS AND TRANSCRIPTS

The Village Clerk's office will maintain and archive appropriately Village minutes, records and transcripts so that they are quickly and accurately accessible for review. In doing so, the Village Clerk's office will identify needed updates and improvements in current procedures. The Village Clerk's office will work with the Village Manager's Office in transferring information to Laserfiche records management software as needed.

FREEDOM OF INFORMATION ACT

The Village Clerk's office plans to implement procedure improvements, identified through a proper review, for processing of freedom of information requests. In addition, the Village Clerk's office plans to evaluate options for storing and making accessible results of freedom of information requests for future review.

SPECIAL EVENTS

The Village Clerk's office will continue to Chair the Special Events Committee as it enters the implementation phase of improving the application process and reviewing for approval or denial of special events.

ADVISORY BOARDS AND COMMISSIONS

The Village Clerk's office, with the Citizen Involvement Commission, will continue to increase citizen awareness of civic services, engage and recruit volunteers from all sectors of the community, and provide needed support and training for commissioners with a goal of filling all vacancies and maintaining an appropriate waitlist.

LOCAL ELECTION OFFICIAL, NOTARY SERVICES, AND VOTER REGISTRATION

The Village Clerk's office will work to increase voter turnout for municipal elections by increasing voter registration, spreading awareness of upcoming elections and volunteer opportunities, and responding to a community desire for transparency and understanding of how decisions are made in the Village of Oak Park.

The Village Clerk's office will continue to provide notary services and voter registration.

VILLAGE PRESIDENT & BOARD OF TRUSTEES

Pursuant to §2-2-4 of the Municipal Code the Village President and Board of Trustees via their legislative authority established under state law are elected by the citizens of Oak Park to establish the policies related to the operation of the Village Government. The Village President and Board of Trustees are responsible for the selection and employment of the Village Manager and annually establish the goals and vision for the organization and authorize the annual budget/appropriations document to support the implementation of these goals.

Special Revenue Funds

Special Revenue Funds are isolated from the general operations of the Village. These funds are for the financial management of Village services funded by revenues that have been earmarked for specific purposes. While the use of such revenues is sometimes guided by state and federal requirements, they can also be guided by policy directives from the Village Board of Trustees.

The Village maintains the following Special Revenue Funds:

- Community Development Block Grant (CDBG)
- Community Development Block Grant Revolving Loan Fund
- Downtown Oak Park Tax Increment Financing District Fund
- Earth Fest Fund
- Enhanced 911 Fund
- Farmer's Market
- Federal Recovered Drug Asset Forfeiture (RICO) Fund
- Foreign Fire Insurance Fund
- Harlem/Garfield Tax Increment Financing District Fund
- Madison Street Tax Increment Financing District Fund
- Motor Fuel Tax Fund
- Special Services Area (SSA) #1
- Special Services Area (SSA) #7
- State Recovered Drug Asset Forfeiture (RICO) Fund
- Sustainability Fund

Community Development Block Grant (CDBG)

Fund Summary

The Community Development Block Grant (CDBG) program is HUD's most important community development program and it is one of the most flexible programs provided to the Village by the federal government. This flexibility is designed to promote innovative programs in economically disadvantaged areas of the community.

The Emergency Solutions Grant (ESG) program is designed to identify sheltered and unsheltered homeless persons, as well as those at risk of homelessness, and provide the services necessary to help those people quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness.

Community Development Revolving Loan Fund

Fund Summary

At present, funding for the single family rehab loan program is from the Village's Revolving Loan Fund. The Revolving Loan Fund consists of funds that were re-paid by prior homeowners. Additionally, we give homeowners with lead based paint hazards a grant using CDBG funds to correct such hazards.

Downtown Oak Park Tax Increment Financing (DTOP TIF) District

Fund Summary:

The Downtown Oak Park Tax Increment Financing (DTOP TIF) District was established in 1983 with the intent of revitalizing the downtown business district. Revenues are generated by incremental property taxes calculated by taking the overall property rate multiplied by the incremental equalized assessed valuation (EAV) above and beyond the frozen or base EAV when the TIF was first adopted. The intent is to use this increment for economic development projects, enhancing the tax base to develop above what development would have occurred otherwise. This fund is subject to the 2011 TIF settlement agreement.

The 2011 TIF settlement agreement was amended in 2013 to provide for the capture of increments for public infrastructure costs associated with the proposed development of Colt-Westgate properties generally located east of Harlem Avenue between Lake & North Boulevard.

Farmer's Market

Fund Summary

The Oak Park Farmers' Market offers high quality, locally grown produce. The Market offers a vision of stepping back to simpler times when produce could be purchased directly from farmers.

The Market is open every Saturday beginning the second to last Saturday of May through October. Market hours are 7 a.m. - 1 p.m. Pilgrim Church, right next door to where the market is held, offers fresh warm donuts, juice and coffee, with live bluegrass music nearby. The Oak Park Farmers' Market is located at 460 Lake St., just one block west of Ridgeland Avenue. The [Farmers' Market Commission](#), which oversees the Oak Park Farmer's Market, is comprised of volunteers appointed by the Village Board to coordinate and promote outdoor food and produce marketing. The Commission's 11 members each serve three-year terms.

Federal RICO Fund

Fund Summary

The Federal Recovered Drug Asset Forfeiture Fund is a fund by which assets related to drug crimes can be seized by federal government. A percentage of those seized assets can then be turned over to the involved local enforcement agencies. Proceeds can only be used for law enforcement purposes and have been utilized in the past to purchase police vehicles and other crime fighting equipment.

Foreign Fire Insurance Fund

Fund Summary

The Foreign Fire Insurance program is comprised of a Board of Directors that is elected from the members of the Oak Park Fire Department. The mission of the Board is to receive and account for revenues from the tax issued on fire insurance policies sold by foreign (out of state) insurance companies, and to use such funds for the maintenance, use, and benefit of the Oak Park Fire Department.

Harlem/Garfield Tax Increment Financing District

Fund Summary

The Harlem/Garfield Tax Increment Financing (TIF) District was originally created in 1993 for the purpose of remediation of the site for a retail redevelopment project. Due to financial circumstances, the development never occurred. In 2003, the Village approved a Business Retention Agreement to move the Volvo Dealership from Madison Street to the corner of Harlem & Garfield. In 2015 RRV Motorcars II, LLC (Autobarn) purchased the dealership from Oak Park Volvo. The Village entered into a Redevelopment Agreement with Autobarn. The agreement provided that the Village would provide Autobarn with a \$1 Million loan from the TIF forgivable over a 15 year period. The TIF expires on December 31, 2018.

Madison Street Tax Increment Financing District

Fund Summary

The Madison Street TIF was adopted by the Village Board on February 6, 1995 and at that time it identified the following projects (along with costs estimates) for the Madison TIF District:

Public Improvements	\$7,000,000
Land Acquisition	\$8,000,000
Site Preparation	\$7,500,000
Rehabilitation of Existing Buildings	\$3,000,000
<u>Administration and Professional Services</u>	<u>\$2,500,000</u>
Total	\$28,000,000

The above project estimates were established in accordance with the TIF. The Village, under the Illinois TIF Act generally is allowed to use property tax increment generated by the TIF within the District for the following:

- Property acquisition
- The rehabilitation or renovation of existing public or private buildings
- Infrastructure improvements
- Relocation expenses
- Financing costs, including interest assistance
- Studies, surveys, and plans
- Marketing sites within the TIF District
- Professional services (such as architectural, engineering, legal, and financial planning)
- Demolition and site preparation

The Madison Street TIF is due to expire on December 31, 2018.

Motor Fuel Tax Fund

Fund Summary

The Motor Fuel Tax (MFT) Fund receives the Village's share of the state gasoline tax distributed to municipalities based on a multi-layered formula. These funds are transferred to the General Fund to be used for labor and material costs associated with maintaining roadways throughout the Village.

Special Service Area (SSA) #1

Fund Summary

The Special Service Area (SSA) #1 Fund is used to account for the property tax receipts as collected by the County. The area, which is confined to the greater downtown Oak Park area, levies a separate tax to assist in the marketing and promoting of businesses in the district.

The expenditure of the these funds is subject to the on-going application of an agreement between the Village of Oak Park and the Harlem Lake Marion Corporation (commonly referred to as Downtown Oak Park) which was approved by the Village Board on March 21, 2016 and expires on December 31, 2017.

Sustainability Fund

Fund Summary

The Village Manager's Office oversees Sustainability initiatives and the Sustainability Fund was established in 2009 with Grant Funds for the hiring of a position to support sustainability efforts in the Village. After the grant expired, all sustainability related costs have been provided via a transfer from the Environmental Service Funds – Enterprise fund generating revenue from waste hauling fees. A sustainability coordinator is anticipated to be hired in Q4 2017.

Beginning in 2016, as part of the Village's Community Choice electrical aggregation program, a 0.3¢/kWh local fee to support the Smart City USA renewable energy projects within the Village was established. That revenue, currently estimated at \$400,000 per year is shown as revenue in this fund as well.

Capital Improvement Funds

The Capital Improvement Fund generates revenue through a dedicated 1 percent sales tax, a six cent per gallon gasoline tax, as well as IMF Telecommunications Taxes distributed through the state. The fund's most notable expenses are the repair and replacement of local streets, alleys and sidewalks. It also funds the other capital funds through inter-fund transfers.

Although the current focus is on the actual infrastructure improvements it is not possible to have a valid conversation about the fund's ability to pay for the costs of projects without also discussing the other expenses of the fund.

The revenue and expense table below illustrates the overall fund finances. However, the operations portion (i.e. everything beyond the capital costs), are currently under review and will come before the Finance Committee and Village Board as a part of the operational budget recommendation.

The Public Works Department is responsible for the oversight and management of three Capital Funds including the Capital Improvement Fund, Building Improvement Fund and Fleet Replacement Fund. These funds support equipment and projects that have an extended life. Streets, sidewalks, HVAC systems and vehicles are typical expenditures from these funds. The Capital Improvement Fund also includes expenditures for personnel salaries and benefits that support the Funds programs and projects. The Capital Improvement Fund includes expenditures to the other capital funds through inter-fund transfers.

The Finance Department is responsible for the oversight and management of the Equipment Replacement Fund, which tracks expenses related to major technical equipment purchases for Village departments.

Criteria

Capital projects must meet the following criteria:

- Minimum value of \$25,000
- Useful life of longer than two years
- Results in a fixed asset
- If an engineering study, leads to a capital program

Capital projects include costs in the following six main categories:

- Professional Services
- Land Acquisition
- Infrastructure Improvements
- Building Improvements
- Machinery and Equipment
- Other/Miscellaneous

Building Improvement Fund

Fund Summary

The Building Improvement Fund revenue is transferred from the primary Capital Improvement Fund and is therefore indirectly funded by bond proceeds. This fund accounts for all expenses related to the repair and maintenance of all Village owned facilities.

The Fund should be reviewed in conjunction with the other CIP Funds.

Equipment Replacement Fund

Fund Summary

The Equipment Replacement Fund tracks expenses related to major equipment purchase. Expenditures charged to this fund include any capitalized equipment purchase but excludes vehicles which are budgeted in the Fleet Fund.

Fleet Replacement Fund

Fund Summary

The Fleet Replacement Fund tracks expenses related to vehicle purchases for Village departments outside of one of the Village's Enterprise funds (Water/Sewer, Parking and Environmental Services). In recent years, purchases have shifted toward leases or installment loans rather than outright purchases in order to maximize purchasing power while leveraging historically low interest rates.

The Fleet Division within the Department of Public Works reviews vehicle needs with relevant departments and determines when equipment needs to be replaced based on an analysis of cost effectiveness of maintenance.

Capital Improvement Fund

Fund Summary

The Capital Improvement Fund generates revenue through a dedicated 1% home rule sales tax, a six cent per gallon gasoline tax, an allocated 1% telecommunications tax, as well as grants and bond proceeds.

The fund's most notable expenses are the repair and replacement of local streets, alleys and sidewalks. It also funds the other capital funds through inter-fund transfers.

Enterprise Funds Overview

The Village has the following three enterprise Funds:

- Environmental Services
- Parking
- Water

Enterprise Funds are distinguished from other Village Funds in that they are often run similar to a business and funded by user fees rather than taxes or other revenue sources typically assessed to the public for funding general Village operations. Enterprise Funds usually serve a very specific purpose such as providing water/sewer services or refuse pickup and such services are billed directly to the customer or user of such service.

For these types of Funds, the Village may still issue bonds to help pay for non-routine capital improvements or expenditures but the payment on the debt service for this bonds is usually abated (removed) from the tax levy and paid by user fee revenue within the Fund. Finally, although expenses in these Funds are kept separate and not paid for by general Village revenues, the same rules apply regarding purchases and same level or degree of due diligence is performed to receive the best services at the lowest possible cost.

ENVIRONMENTAL SERVICES FUND

DEPARTMENTAL SUMMARY

Fund Summary

The Department of Public Works is responsible for the oversight and management of this Fund through its Environmental Services Division. This division manages the Village's solid waste collection and comprehensive recycling programs. Waste collection, compost collection and recycling are provided through contract services for single family units and multi-family unit residents up to five unit buildings as well as over 69 institutional facilities. Also included in this fund is support of the Village's fall leaf collection program, the Keep Oak Park Beautiful program, At Your Door special collections and an enforcement program which relates to the enforcement of Village Ordinances for alleys and solid waste that would be considered a nuisance.

This Fund transfers resources to the Sustainability Fund (a special revenue fund) which supports all expenditures related to Sustainability (a function in the Village Manager's Office) including personnel, materials and supplies and contractual services.

Revenues for this fund are generated through the solid waste collection fees which cover the cost of collection and disposal.

2017 ACCOMPLISHMENTS

- The Environmental Services Division of Public Works administered the first year of a five year contract with Waste Management for collection and transportation of refuse, recycling, yard waste and “At Your Door” hazardous waste services. In addition the Village is in the ninth year of a ten year contract for waste disposal as a participating community in the Regional Disposal Project provided by the West Cook County Solid Waste Agency.
- The division managed the organics collection program, CompostAble, for food scraps, food-soiled paper products and yard waste has grown steadily since it was piloted in 2012 with 110 participants. There are over 1,100 households, churches, schools, Park District facilities, Farmers Market and the OPRF Food Pantry.
- The paper shredding and used clothing collection event held in April served 381 households and diverted 14,000 pounds of materials from the landfill. The second 2017 event was scheduled for September.
- The eighth annual Earth Fest event was held on April 23rd and an estimated 800 residents attended the event.
- The Block Party program continued to support opportunities to be a “Green Block Party” which included demonstrations on composting.
- Developed a succession plan for the Environmental Services Division Manager due to retirement.
- Per the collection contract with Waste Management, develop rates for Multi-Family building over 6 units. Draft a rate ordinance modification and submit to the Board for approval. Design and offer an opt-in program.

2018 WORK PLAN

- The Village will be asked to renew the long-term disposal contract administered by the Solid Waste Agency of West Cook. The new contract will be the second ten year extension of the original contract and will be in effect from January 1, 2019 to December 31, 2028.
- Continue promoting participation in the CompostAble organics collection program.
- Continue special collection events for shredding and clothing.
- Plan and host an Earth Fest event in April.
- Investigate the potential to combine the Green Block Park and Keep Oak Park Beautiful programs
- The Environmental Services Division will use existing staff to continue a refuse cart inventory and work with the Finance Department to validate refuse billing accounts.

PARKING FUND

EXECUTIVE SUMMARY

Departmental Summary

In densely populated Oak Park - with a population of 52,000 and an automobile population estimated at nearly 30,000, the limited supply of parking must be managed. The department manages operations related to shared parking; where and how parking is allowed, for how long and, in some cases, by whom. By managing the parking supply - most of which is on public property - the Village's Parking and Mobility Services Department helps Oak Park residents and business personnel meet their parking needs, while also maintaining the character of the community.

Parking and Mobility Services manages publicly provided parking, four public parking garages, more than 100 off-street lots and nearly 1,500 meters. In addition, the department manages a comprehensive parking permit system that includes 3,600 quarterly parking permits, 2,300 quarterly on-street, overnight permits and 150,000 parking passes for residents and their guests who request temporary on-street parking. The Parking and Mobility Services Department administers the sale of Village Vehicle Stickers. Parking and Mobility Services also reviews, researches, and recommends the addition and revision of parking regulations within the Village as the staff liaison to the Transportation Commission.

As part of mobility services, the department oversees programs such as, Divvy bike share, various car share programs, electric-vehicle charging stations, the Universal Valet Parking Program, the displacement of registered vehicles during major capital projects, and traffic safety plans in conjunction with public works.

2017 EXPECTED ACCOMPLISHMENTS

- Completed camera and intercom upgrades for Village garages as part of the overall Village property updates. The technology to aging and becoming obsolete, in the last few years there were several times when repairs had to be made.
- Completed phase II of upgrades to the Village Parking Garages revenue control system including License Plate Recognition and supplemental Revenue Control System Upgrades.
- Worked with a consultant to prepare a request for proposal and implementation of upgrades to the Parking Services permit, vehicle sticker, and citations, as well as License Plate recognition.
- Completed parking facilities maintenance study and started implementation.
- Continued comprehensive review of on-street parking restrictions with plans to complete by the end of the year.
- Expanded the Village's (EV) charging station program by adding and upgrading EV charging stations at the Village Parking Garages.
- Completed pilot of consolidated sign project.
- Completed pilot of on-street pay-by-plate technology.

2018 WORK PLAN

- Continue implementation of the parking facilities maintenance study that was completed in 2017 across multiple facilities.
- Review for possible expansion of the regional bike share program (Divvy) with a budgeted expansion amount of \$260,000 for 4 new stations.
- Start fabrication and installation of the Parking Wayfinding System that is anticipated to take three years at \$200,000 per year.
- Continue a comprehensive review and begin implementation of recommendations of all parking related ordinances and policies as part of the Village Board goals for 2016-2017.
- Implement upgrades to the Parking Services permit, vehicle sticker, and citations, as well as License Plate recognition with a budgeted amount of \$450,000. This will require participation by the Adjudication, Finance, Information Technology, and Police Departments.
- Start installation of new on-street parking restriction signage that is anticipated to take four years at \$200,000 per year.

WATER & SEWER FUND

DEPARTMENTAL SUMMARY

The Department of Public Works is responsible for the oversight and management of the Public Works portion of this Fund through its Water & Sewer Division. In FY 2013, the Village Board approved the collapse of the Water & Sewer Funds into a single fund.

Water Services

Public Works is responsible for the delivery of safe, potable water to residents and businesses within the Village and for fire suppression. Purchased directly from the City of Chicago, water is stored in several sites throughout the Village and pumped through 105 miles of water mains. Personnel and contractors supported by this fund are responsible for the emergency replacement of broken mains as well as repair and exercising of system water valves and fire hydrants, repair and replacement of water meters and pumping equipment. The division also responds to requests for locating underground water facilities via the one call system Joint Utility Locating Information for Excavators (JULIE).

Revenues for the Water Fund are generated through the users of the water system through quarterly metering. Rates are determined based on the charges from the City of Chicago for the delivery of water and the Village's expenses and programming.

Sewer Services

Village sewage is transported to the interceptor sewers of the Metropolitan Water Reclamation District of Greater Chicago (MWDGC) where it is eventually treated and discharged into the receiving streams.

Revenues for the Sewer fund are generated through the users of the water system as a portion of the utility charges. The Village does not pay the MWDGC for discharging to their sewers. Property owners are assessed on their property tax bill for this service.

Although the current focus is on the actual infrastructure improvements it is not possible to have a valid conversation about the fund's ability to pay for the costs of projects without also discussing the other expenses of the fund.

Below is a revenue and expense table that illustrates the overall fund finances. However, the operation portion, everything beyond the capital costs, is currently under review and will come before the Finance Committee and Village Board as a part of the operational budget recommendation.

2017 ACCOMPLISHMENTS

Water & Sewer Division

The Department of Public Works, Water & Sewer Division, is responsible for maintaining the safe drinking water for the Village as well as the efficient collection of all storm and sanitary water.

The following accomplishments by the Water & Sewer Division were completed in 2017.

- Satisfactorily completed the Illinois EPA 2017 Public Water Supply inspection evaluation and found to be in compliance with EPA water supply regulations.
- The Department of Public Works is projecting the water purchase from the City of Chicago to be approximately 1.86 billion gallons for the 2017 calendar year.
- Reduced non-revenue water per the American Water Works Association Water Audit, M-36, from 18% to 15%.
- As budgeted in 2017, added a third pump station operator position to pump station distribution operations utilizing a vacant Water & Sewer Worker position.
- New cellular technology Chicago water meters installed at the Central Pumping station, this upgrade will allow daily real-time readings that will increase accountability and worker safety due to minimized confined space entry.
- The Water & Sewer Division is on pace for a total of 100 water and sewer excavations for 2017, also on pace to complete nearly 30 water service upgrades and repair nearly a dozen water main breaks.
- Water meter register head replacement program continued with the projected replacement of nearly 1000 water meters and register heads.
- Distributed Annual Water Quality Report via electronic format instead of bulk mail method, saving approximately \$5,000.00.

2018 WORK PLAN

Water & Sewer Division

- Water purchase from the City of Chicago is projected to approach 1.86 billion gallons for 2018, which is above the five year average of 1.79 billion gallons. The City of Chicago is expected to increase their water rates based on the Consumer Price Index.
- Perform an Energy Study/Audit including anticipated pumping capacity and water storage needs for the next 5 to 10 years and 20 to 40 year time frame.
- Participate in the IEPA Lead and Copper Monitoring Rule. This is on a 3 year cycle with 2018 as the sampling year.
- Replace/upgrade aging disinfection feed equipment at the North and South pumping stations.
- Continue repair/replacement of defective/leaking water valves and water lines identified during the 2018 Leak Detection survey, this is one of several efforts to continue to lower the Village's non-revenue water.
- Continue the water meter change out program with the replacement of 1,000 meters/register heads leaving approximately 4,000 remaining, and focus on the large water meter replacement program to insure and increase accurate water billing revenue.
- Continue the priority of repairing sewer failures within 72 hours of notification.
- Continue the lead abatement water service replacement program.
- Continue annual storm sewer inlet/catch basin cleaning.
- Continue the annual sewer jetting program.
- Continue evaluating the storm sewer inlet restrictor program and add additional locations in an effort to prevent basement back-ups during heavy rainfall events.
- Continue the sewer backup grant program to aid residents in basement backup protection.

Internal Service Funds

The Villages Internal Service Fund (ISF) are used to track revenues and expenses that do not require legal separation from the General Fund but are budgeted and tracked independently for internal control, transparency, and accounting purposes. The following ISF are included under this section:

- Debt Service Fund
- Health Insurance Fund
- Self Insured Retention Fund (SIRF)

The Self Insured Retention Fund is used to account for all expenses related to general liability and workers compensation case claim payments as well as related insurance premiums paid for stop loss coverage which is currently \$750,000. This Fund does not have its own dedicated revenue source and is funded by inter-fund transfers-in from other Village Funds.

The Health Insurance Fund is used to track and account for expenses related to the Village's health and life insurance benefits provided to eligible full time employees. Eligible employees receive a comprehensive health insurance benefit which includes either a PPO or HMO option chosen by each employee and a prescription drug benefit as well.

In addition, the Village provides eligible employees with a flat \$50,000 life insurance benefit at no cost and employees may purchase at their own expense additional coverage above this amount.

Finally, with a certain limited exception, dental insurance is available and offered to employees at an employee's own expense.

The largest expense in this Fund is related to health insurance coverage. The Village is self-insured and uses Blue Cross/Blue Shield to administer its plans. Actual health insurance claims are paid out of this fund and budgeted as expense while corresponding revenues are budgeted from Village contributions, employee payroll contributions, and pensioner/COBRA contributions.

The Debt Service Fund accounts for all principal and interest payments made on bond issues which are not dedicated to Special Revenue or Enterprise Funds. Detailed schedules by bond issue are provided within this budget document.

Debt Service Fund

Fund Summary

The Debt Service Fund accounts for the general debt of the Village. Debt is also paid directly by the Village's Enterprise Funds if the proceeds were used for expenses in one of those Funds.

Annual Debt payments are primarily funded through a portion of the Village's property tax levy.

Health Insurance Fund

Fund Summary

The Human Resources Department develops, supports, and administers an employee benefits program that is cost effective while also considered by employees as having value in terms of their total compensation from the Village. Specific benefits provided include:

- Health insurance in the form of two Blue Cross/Blue Shield PPOs and HMOs
- An insurance opt-out program for employees covered under a spouse's health insurance plan
- A prescription drug plan with a three-tier co-pay (\$10, \$30 and \$50)
- Village paid basic life and accidental death and dismemberment insurance
- Outsourced S-125 Plan administration for reimbursement of qualified expenses
- Reimbursement for qualified transportation expenses

The Human Resources Department relies on assistance from an insurance broker to provide the most cost-effective benefit plans and options to its employees.

Self-Insured Retention Fund

Fund Summary

The Self Insured Retention Fund exists to fund the payment of liability judgments and settlements, workers compensation settlements, payments, attorney fees and related costs necessary to the defense of those cases.

In recent years, staff has been reviewing various options as they pertain to how the Village insures itself. While maintaining a self-insured status of \$750,000, the Village Board is continually seeking alternatives such as joining an intergovernmental insurance pool in order to reduce costs.

Fiduciary Funds

Pursuant to State of Illinois Compiled Statutes (ILCS), the Village maintains an independent pension board for both the Police and Firefighters' Pensions. The function of these boards is to serve in a fiduciary manner and diligently invest pension assets according to the limitations provided within their respective pension code sections of the ILCS.

On an annual basis, the Village levies a fixed amount which is adopted with its General Fund levy in December of each year. Each pension fund then collects the distributions from its levy and may use the proceeds to either invest and/or pay pensioner benefits. Investments and expenses in the pension funds are not managed by Village staff but are rather handled by the elected or appointed members on each pension board. As such, the Village has limited control over the expenses and investment results in these funds.

The Village does at a minimum adopt the recommended levy based on an annual valuation performed by a qualified, credential, and independent actuary hired by the Village. The Village Board may levy an amount which equals the recommended actuarial amount or increase it at its discretion to reduce unfunded pension liabilities. At a pension board's discretion, it may too hire its own actuary to provide an actuarial valuation and recommend the annual Village levy amount as the employer contribution into the pension fund.

GLOSSARY OF TERMS

Accrual Basis: A basis of accounting in which transactions are recognized at the time they are incurred not necessarily at the time they are received. For example, a parking ticket issued (once in final determination) in December, it becomes a receivable to the Village under the accrual basis of accounting. This is different than the cash basis where all activity is recorded only when money changes hands.

Adopted Budget: The revenue and expenditure plan for the Village for the fiscal year, as reviewed and approved by the Village Board.

Appropriation: An authorization by the Village Board to expend monies and incur obligations for a specific purpose. The adopted budget is the Village's appropriation of fiscal resources for the specific fiscal year.

Assets: Property and equipment owned by the Village which has monetary value.

Audit: A review of the Village's accounts by an independent accounting firm to verify that the Village's financial statements accurately reflect the Village's financial position. In Oak Park's case, the Village also includes additional information that results in the document to be classified a Comprehensive Annual Financial Report.

Bond: A written promise to pay a specified sum of money, called the face value of principal amount, at a specified date or dates in the future, called the maturity date(s), together with periodic interest at a specified rate.

Budget: A financial plan consisting of an estimate of proposed expenditures and their purposes for a given period, and the proposed means of financing.

Budget Amendment: An adjustment made to the budget during the fiscal year, by the Village Board, to properly account for unanticipated changes in revenues and/or expenditures and for program initiatives occurring during the fiscal year.

Capital Improvement: A permanent major addition to the Village's real property assets, including the design, construction or purchase of land, buildings or facilities, or major renovations of same. These include installation of re-paved streets, storm drains, water and sewer lines, and other public facilities.

Capital Improvement Budget: A financial plan of proposed capital improvement projects and the means of financing them for a given period of time.

Capital Outlay: Expenditures relating to the purchase of equipment, facility modifications, land and other fixed assets.

Contingency: Funds set aside for unanticipated expenditure requirements, new programs, or to absorb unexpected revenue losses.

Debt Service: Payment of interest and principal on an obligation resulting from the issuance of bonds, notes or certificates of indebtedness. There are different types of debt instruments issued by the Village with the most common being General Obligation (GO) debt. Also included is cash, assets, investments and accounts receivable against outstanding liabilities, such as accounts payable and outstanding contracts.

Deficit: (1) the excess of an entity's liabilities over its assets; (2) the excess of expenditures over revenues during a single accounting period (e.g., a fiscal year).

Department: A major unit of organization in the Village, comprised of sub-units named divisions. i.e. Police; Fire; Public Works

Division - A group of related tasks to provide a specific benefit to either the general public or the Village organization. A division is a sub-organizational unit of the department.

Encumbrance: Obligations in the form of purchase orders or contracts, which are to be met from an appropriation and for which a part of the appropriation is reserved so that a line-item is not overspent.

Enterprise Fund: A fund established to account for the total costs of those governmental facilities and services which are operated in a manner similar to private businesses. These programs are predominately self-supporting from user fees. i.e. Water; Sewer; Parking.

Equalized Assessed Valuation: The taxable value placed upon a property in the Village by the Cook County Assessor. The cumulative total of value is a basis for the calculation of the tax levy.

Expenditure: Amounts paid for all purposes, including expense provisions for retirement of debt and capital outlay.

Financial Plan: A major section of the budget which contains the statement of estimated expenditures, revenues and balances for each major fund.

Fiscal Year: A 12-month period of time to which the annual budget applies. For the Village of Oak Park, the fiscal year begins on January 1st and ends on December 31st.

Fixed Asset: A fixed asset is tangible in nature and has a useful life of more than one year. A fixed asset will be capitalized if it meets the previous criteria and has a value of \$10,000 or greater.

Fringe Benefits: Various non-wage compensations provided to [employees](#) in addition to their normal [wages](#) or [salaries](#) or paid on their behalf. For example, the employer paid portion of health insurance premiums, federal wage taxes, etc.

Full-Time Equivalent (FTE): A part-time position converted to the decimal equivalent of a full-time position, usually based on either 1,950 or 2,080 hours per year. A full-time position that is funded for the year is equal to 1.0 FTE.

Fund: A fiscal entity with revenues and expenditures which are segregated for the purpose of carrying out a specific purpose or activity.

Fund Balance: The fund equity of governmental funds and trust funds at a particular point of time, usually the end of a fiscal year. The Fund Balance is usually presented on a net accrual basis.

Generally Accepted Accounting Principles (GAAP): Uniform minimum standards for financial accounting and recording, encompassing the conventions, rules, and procedures that define accepted accounting principles.

General Fund: The Village's principal operating fund which is supported by taxes and fees which can be used for any legal government purpose. It accounts for resources devoted to financing the general services which the Village provides its citizens. In Oak Park, the General Fund funds a majority of Public Safety, Administration, Economic Development, Health and Public Works functions other than enterprise activities.

General Fund Full-Time Equivalents (FTE's): The positions that are 100% funded by the Village's General Fund

General Obligation (GO) Debt: Debt issued by the Village backed by the full-faith and credit of the government.

Grants: Contributions or gifts of cash or other assets from another governmental entity or organization to be used or expended for a specific purpose or activity. As policy, the Village tracks grants in individual funds for transparent reporting.

Infrastructure: The basic physical framework or foundation of the Village, referring to its buildings, roads, sidewalks, water system and sewer system.

Inter-fund Transfer: The transfer of asset revenue from one fund to another to either pay for that fund's proportionate share of expenses incurred or for some other corporate purpose.

Internal Service Fund: A fund used to account for the financing of goods and services provided by one department or fund to other departments or funds within the Village.

Modified Accrual Basis of Accounting: For all governmental funds and agency funds under which revenues are recorded when they become measurable and available. Expenditures are recorded when the liability is incurred, except for interest on general long-term obligations, which are recorded when due.

Non-Operating Budget: Costs that do not relate to any one department but represent costs of a general Village-wide nature, such as debt service and appropriated reserve.

Ordinance: A law set forth by a governmental authority; a municipal law established by the Village Board.

Operating Budget: Annual appropriation of funds for ongoing program costs, including personal services, fringe benefits, materials and supplies, capital outlay, and debt service.

Personal Services: Salary and wages of Village employees inclusive of overtime.

Performance Management: The M.A.P. program, as it is known in Oak Park, stands for Measure, Analyze, Perform and includes activities which ensure that organizational goals are consistently being met in an effective and efficient manner. Performance management can focus on the performance of an organization, a department, employee, or even the processes to build a product or service, as well as many other areas. It is also known as a process by which organizations align their resources, systems and employees to strategic objectives and priorities.

Program Budget: Budget that presents all related expenditures associated with the completion of a particular function or process. i.e. Oak Park's budget reflects the expenditures (personnel, fringe benefits and associated costs for materials and supplies) in providing Police services for patrol and resident beat officers separately.

Property Tax: Revenue received by the Village that is collected by Cook County based on an established rate and then calculated against the equalized assessed valuation of property.

Recommended Budget: The Village Manager presents a recommended budget to the Board and Finance Committee each year. Once the Board has had opportunity to review and edit as it sees fit, the document evolves into the Adopted Budget.

Revenues: Sources of the Village's monetary resources, such as income from taxes, licenses, permits, fines and fees.

Resources: Total amounts available for appropriation during the fiscal year, including revenues, fund transfers and beginning fund balances.

Revenue Bonds: Bonds issued to construct capital facilities, repaid from revenue produced by the operation of those facilities. i.e. water rates assist in the payment of the debt service for the water revenue bonds the Village has issued in the past.

Special Service Area: A specially established district contained within the Village that is levied an additional special tax for the financing of improvements or services that benefit only the properties in that area. i.e. Special Service Area 6 funded additional streetscape improvements in the Oak Park/Eisenhower business district. Those property owners pay an additional tax for reimbursement to the Village for those improvements.

Tax Increment Finance (TIF) District: A Tax Increment Finance (TIF) District is a legally defined area that allows for the capture of property tax receipts above a base amount,

usually the amount collected just before the district is created. This incremental property tax collected is then earmarked for economic development projects within the district.

Total Department Full Time Equivalent (FTE's): While many Village departments are solely funded with General Fund resources, a number of departments have staff members that are funded with non-General Fund resources. This summary identifies total number of department FTE's, by their supporting fund.

Turnover: Position turnover is an expenditure discount that reflects the difference between the Village's budgeted personnel costs and its anticipated cost savings from personnel events that occur throughout the year. Personnel events that contribute to position turnover discount include resignations, retirements, terminations, etc. While the Village budgets for all costs related to salaries, benefits and anticipated merit increases, the Village historically experiences budgetary savings in these areas.

Unreserved Fund Balance: Unreserved fund balance represents the equation of assets less liabilities and any other commitments on a given date. It also represents the accumulation of revenues in excess of expenditures over time.

NOTE:

Every effort has been made to seek out and report the largest taxpayers. However, many of the taxpayers contain multiple parcels, and it is possible that some parcels and their valuations have been overlooked.

**Village of Oak Park
Pension Funding Summary**

Qualifying Village employees participate in one of the following three pension plans, depending on the position:

- 1) Illinois Municipal Retirement Fund (IMRF)
- 2) Police Pension
- 3) Firefighters' Pension

All three plans are governed under the Illinois Compiled Statutes. Both the Police and Firefighters' pensions are considered single -employer plans, while IMRF is structured as an agent multiple-employer plan. The single employer plans for eligible sworn public safety employees are independently managed by Village's Police and Fire Pension Plan Boards while IMRF is managed by a separate organization not connected to the Village.

Employee contributions into each plan are set by State statute and summarized as follow:

- 1) IMRF 4.500% of pensionable salary
- 2) Police 9.9100% of pensionable salary
- 3) Fire 9.455% of pensionable salary

IMRF determines the employer contributions on an annual basis and for 2018 it is approximately 10% which is 4% less than the previous year. The Village contributions for the public safety pensions are determined by an independent actuarial valuation and the Village typically levies the recommended actuarial amount which is then directly distributed to each pension plan from the Cook County's Treasurer's Office.

Pension plan funding ratios for last five years are summarized below:

	Actuarial Value <u>Assets</u>	Actuarial Accrued <u>Liability</u>	Funding <u>Ratio</u>	
Police Pension 12/31/11	69,560,813	116,975,968	59.5%	
Police Pension 12/31/12	75,288,859	123,975,581	60.7%	
Police Pension 12/31/13	83,892,130	128,124,811	65.5%	
Police Pension 12/31/14	86,522,448	142,947,184	60.5%	
Police Pension 12/31/15	83,943,327	162,508,238	51.7%	Revised certain actuarial assumptions
Police Pension 12/31/16	87,170,556	170,932,110	51.0%	
Fire Pension 12/31/11	37,041,712	84,791,947	43.7%	
Fire Pension 12/31/12	39,662,677	84,464,421	47.0%	
Fire Pension 12/31/13	44,183,874	87,446,877	50.5%	
Fire Pension 12/31/14	44,972,995	94,816,133	47.4%	
Fire Pension 12/31/15	43,203,943	117,346,591	36.8%	Revised certain actuarial assumptions
Fire Pension 12/31/16	44,737,034	120,693,799	37.1%	
IMRF 12/31/11	26,299,225	38,703,437	68.0%	
IMRF 12/31/12	29,362,674	40,030,007	73.4%	
IMRF 12/31/13	34,033,110	41,482,935	82.0%	
IMRF 12/31/14	35,497,000	43,441,476	81.7%	
IMRF 12/31/15	100,040,158	102,713,459	97.4%	Asset/liability increases due to a GASB change in reporting requirements
IMRF 12/31/16	97,255,320	105,752,682	92.0%
