

## Thank You

A donation has been made in your name to the Rotary International initiative **End Polio Now**. The Oak Park-River Forest Rotary Club has matched this donation dollar for dollar. In addition, the Bill & Melinda Gates Foundation has added an additional match through a \$100 million challenge grant.

In developing countries, polio continues to infect and paralyze children, robbing them of their futures and compounding the hardships faced by their families. **Please know that 50 children will be immunized as a result of this gift and your name will be added to the Oak Park-River Forest Polio Plus Honor Roll.**

Thank you for being a friend of Rotary. We hope you are honored by this gift of a bright and healthy future for children of the world.

Ed Condon - President '16-'17

Cathy Yen - Program Chair '16-'17
