Park District of Oak Park (Tennis Court area) (10am-4pm)

The Park District of Oak Park will be providing family friendly activities in our park for the enjoyment of residents and celebrating the Village of Oak Park.

In Scoville Park there will be a variety of activities for all ages, including model trains with the **Oak Park Society of Model Engineers**. The model trains are a great way to learn about engineering and history. So come on down to the park and enjoy all that it has to offer!

Join the Park District of Oak Park, in the center of Scoville Park for a fun, Fantastic Foam Party! Cool off with foam blasting from the Foam Cannon. Make fun hairdos, dance to the music and enjoy some good old fashioned fun. Please bring a towel and dry clothes as you will get wet.
