Public Health Administrator
Village of Oak Park Health Department
123 Madison Street
Oak Park, Illinois 60302

Dear Ms. Chapple-McGruder:

The Department has received notice from the Office of Policy, Planning and Statistics that the Village of Oak Park Health Department Community Needs Assessment and Health Plan has been approved. Additionally, you are in compliance with Subparts C and D of the Certified Local Health Department Code.

Therefore, I am pleased to notify you that the Village of Oak Park Health Department is granted certification by the Department, effective September 19, 2021, for a period of five years. Enclosed is a certificate documenting your achievement. As a certified local health department, the Village of Oak Park Health Department is now eligible for the Department's Local Health Protection Grant.

Congratulations on achieving certification. The diligent efforts by you and your staff are now duly recognized. The citizens of Village of Oak Park will benefit from your activities and the services that your certified local health department provides.

Very truly yours,

Sameer Vohra
