

# Public Open House: Oak Park Avenue/ Hemingway District Streetscape Improvement

**Tuesday, June 27th  
6pm-8pm / Presentation at 6:45pm**

**Oak Park Township Senior Center  
130 S Oak Park Avenue**

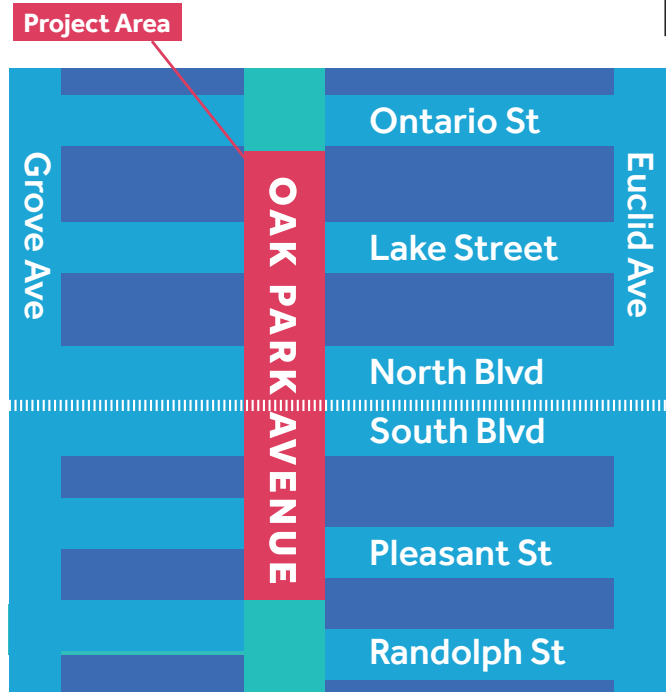

Join us at an open house workshop to learn more about the Oak Park Avenue Streetscape Project which is currently in the planning process. The streetscape project is looking at replacing the sidewalks, roadways, lighting, and amenities in the business district as well as creating new public spaces to replace deteriorated infrastructure and enhance the area. A presentation will take place at 6:45 pm.

The Village of Oak Park is planning a future streetscaping and utility project in the Hemingway Business District along Oak Park Avenue between Pleasant Street and Ontario Street. The Village is seeking community input for the proposed streetscaping project which is planned for construction in 2025.

## WHAT'S IN A STREETSCAPE?

Elements of a streetscape improvement include sidewalks, curbs, roadway repaving, benches, streetlights, outdoor dining, etc.

For more information about the project and the public open house please visit the project's website at [RenewTheAvenue.com](http://RenewTheAvenue.com)
