V. STATEMENT OF WORK TO BE PERFORMED

The Village of Oak Park, Illinois (Pop. 54,583) seeks to develop a comprehensive 2025-2029 Comprehensive Plan per U.S. Department of Housing and Urban Development (HUD), Community Development Block Grant (CDBG) Guidelines. Located just nine miles west of downtown Chicago, the Village offers a distinctive urban/suburban lifestyle in a thriving, multi-cultural community. Well-known for progressive values, tree-lined streets, and bustling business districts, Oak Park serves as an ideal place to live, work and play. As a longstanding community of choice, the Village benefits from convenient access to local and regional transit, high quality public schools, and arts and cultural attractions including Frank Lloyd Wright's home and studio and his acclaimed Unity Temple, which was recently designated as a UNESCO World Heritage Site.

The people who live, work and play in Oak Park have a strong sense of community. Intentionally and proudly diverse in race, religion, ethnicity, age, income level and lifestyle, Oak Park is committed to diversity, equity and inclusion principles that welcome, respect and encourage the contributions of all of its community members. With a tradition of citizen involvement and an accessible, supportive local government, the Village invites active participation in decisions that affect community members' lives, families and way of life. Bounded on the east and north by the City of Chicago, on the west by River Forest and Forest Park and on the south by Cicero and Berwyn, Oak Parkers know that all of our lives are interconnected and collaboration and cooperation are necessary to advance our community's aspirations. Qualified respondents should exemplify the Village Organization's core values of community, connection, service and respect.

The five-year Con Plan is the Village of Oak Park's primary vehicle for identifying and prioritizing housing, community development and economic needs and strategies to guide the use of its entitlement funding from the U.S. Department of Housing and Urban

Development (HUD). The Village receives Community Development Block Grant (CDBG) funds annually to address needs in our community. The statutory goals of the HUD Consolidated Plan are to provide decent housing and a suitable living environment, and expand economic opportunities, principally for low- and moderate-income persons. The Consolidated Plan is submitted to HUD for approval following its development according to the regulations in 24 CFR Part 91, which includes consultation with community stakeholders and input from the public.

The Consultant selected will prepare the 2025-2029 Consolidated Plan and 2025 Annual Action Plan. They must follow any and all HUD amendments and updates, such as utilizing the HUD's Office of Community Planning and Development (CPD) eCon Planning Suite, including the Consolidated Plan template in Integrated Disbursement and Information System (IDIS) and the CPD Maps website, though it is desired that the consultant can also create maps. The eCon Planning Suite is designed to support grantees and the public to assess their needs and make strategic investment decisions by providing better data and tools and by creating a seamless planning and grants management framework.

The Consolidated Plan will include a review of past performance, an analysis of current conditions and community needs, identification of goals and objectives, a five-year strategy, and an Annual Action Plan for the first year (PY 2024). The Analysis of Impediments to Fair Housing will include an examination of pertinent data and market issues, a review of prior and current activities, an evaluation of public policies and practices, and conclusions and recommendations for action. The specific requirements for the Consolidated Plan can be found in the Code of Federal Regulations, Title 24, Section 91, ET. Seq. (24 CFR 91).

An overview of the Consolidated Plan process can be accessed on the HUD website at:

<https://www.hudexchange.info/programs/consolidated-plan/>.

10.3. The Contractor shall respond to the Village's notice of any errors and/or omissions within seven (7) days of written confirmation by the Contractor of the Village's notice. The Contractor shall make the Documents available for the Village’s review, inspection and audit during the entire term of this Agreement and three (3) years after completion of the Services as set forth herein and shall fully cooperate in responding to any information request pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.* by providing any and all responsive documents to the Village.

Furthermore, should the Contractor request that the Village utilize a lawful exemption under FOIA in relation to any FOIA request thereby denying that request, the Contractor shall pay all costs connected therewith (such as reasonable attorney's and witness fees, filing fees, and any other expenses) to defend the denial of the request. The defense shall include, but not be limited to, challenged or appealed denials of FOIA requests to either the Illinois Attorney General or a court of competent jurisdiction. The Contractor shall defend, indemnify, and hold harmless the Village, and its officers, officials, employees, agents, and volunteers, and shall pay all costs connected therewith (such as reasonable attorney's and witness fees, filing fees and any other expenses) to defend any denial of a FOIA request by the Contractor's request to utilize a lawful exemption to the Village.

14.2. This Agreement shall not prohibit the Contractor from providing services to any other public or private entity or person. In the event that the Contractor provides Services to a public or private entity or person, the Village, at its sole discretion, may determine that such Services conflict with a service to be provided to the Village by Contractor, and the Village may select another contractor to provide such Services as the Village deems appropriate.

15. THE VILLAGE'S REMEDIES.

15.1.1. The Village may require the Contractor, within such reasonable time as may be fixed by the Village, to complete or correct all or any part of the Services that are defective, damaged, flawed, unsuitable, nonconforming, or incomplete and to take any or all other action necessary to bring the Contractor and the Services into compliance with this Agreement;

15.1.2. The Village may accept the defective, damaged, flawed, unsuitable, nonconforming, incomplete, or dilatory Services or part thereof and make an equitable reduction;

15.1.3. The Village may terminate this Agreement without liability for further payment of amounts due or to become due under this Agreement except for amounts due for Services properly performed prior to termination;

15.1.4. The Village may withhold any payment from the Contractor, whether or not previously approved, or may recover from Contractor any and all costs, including attorneys' fees and administrative expenses, incurred by the Village as the result of any Event of Default or as a result of actions taken by the Village in response to any Event of Default; or

15.1.5. The Village may recover any damages suffered by the Village as a result of Contractor's Event of Default.

The Contractor hereby represents and certifies that Contractor is not barred from contracting with a unit of state or local government as a result of: (1) a delinquency in the payment of any tax administered by the Illinois Department of Revenue unless Contractor is contesting, in accordance with the procedures established by the appropriate revenue Act, its liability for the tax or the amount of the tax, as set forth in 65 ILCS 5/11-42.1-1; or (2) a violation of either Section 33E-3 or Section 33E-4 of Article 33E of the Criminal Code of 1961, 720 ILCS 5/33E-1 *et seq.* The Contractor hereby represents that the only persons, firms, or corporations interested in this Agreement are those disclosed to the Village prior to the execution of this Agreement, and that this Agreement is made without collusion with any other person, firm, or corporation.
